Dear Friends and Fellow Republicans

5 Days Left - Youngkin Is In the Lead!

Spent last night in both Buena Vista and then Augusta at Youngkin rallies. The energy was amazing, and it is inspiring to see so many hundreds of patriots who won't accept the tyranny of the Democratic party and want real change coming to Virginia. Approximately 350 showed up in Buena Vista at a rally. And the Augusta Expo was standing room only. Best guess is 700 people were at the Augusta Expo Center to hear from Youngkin/Sears/Miyares.

Everyone knows this is our best chance to take back Virginia.

absolutely not. But polls are indicative of a trend, and clearly the polls are showing that Youngkin is moving ahead and - if we do our jobs - is likely to win.

But this can only happen with your help and hard work. Was inspiring to see Craig Scott out there last night in the cold and rain handing out lit for Winsome Sears. Waynesboro's Pete Wong is also an inspiration to all who have seen him out there. Doug Whitelock, Wendy Staub Feathers, and John Chroniger have been out there every day working the early voting making sure that voters know who their conservative Republican candidates are. There are dozens if not hundreds of people who haven't been mentioned here. At the end of the day - it will be each person who knocks on doors or makes phone calls or has written letters to the editor or is a poll watcher/greeter/elections official who will be responsible for taking back Virginia.

It is not enough to win - we must do a good job. Eternal vigilance is the price of living in freedom. Each of us must continue to work from now through 7 PM on Election Day November 2. And then each of us must work hard to make sure that our elected officials don't go soft on us and give into the special interests who care not about us common folk but are only interested in short term profits.

Now is not the time to take a few days off. To paraphrase the end of the movie Braveheart - you've bled with others - now for a few more days - bleed with me.

Unless there is some bizarre development between now and November 2 - this will be my last newsletter until after the Election. Don't let up now!

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia

I remain

your servant
