

The Valley Patriot

Making the 6th District Great Again!

Dear Friends and Fellow Republicans

6 Days Left

Friends,

I was at the Bedford County GOP Meeting last night, and that room was full of energy! You could feel the energy bouncing off the walls. But this energy must be properly harnessed. I've said this before and will keep saying it until you're sick of hearing from me - but Team GOP needs you. We can't take back Virginia without your help. There is still time to knock on doors, or make phone calls. A \$25 donation will send out 250 robo texts reminding people to vote. You can work the polls in either (early voting lasts until Saturday) early voting or

Maybe the most fascinating person - who does not want their name mentioned - lives in the northern part of the District. She just had a knee replacement - and felt bad because she couldn't knock doors. So this patriot started making phone calls from her bed (yes with a replacement knee just installed a few days ago) and so far has made nearly 600 calls this week to get Team Youngkin and Team GOP elected. If this great American patriot can make phone calls from her bed, so can each of us. (to honor this lady, I'll knock on 100 doors this weekend in her honor!)

(NOTE - I forgot to publicly thank Bedford County GOP Chair Tim Griffin last night for all his hard work in election integrity - Tim has been a champion (along with Virginia project) to make sure that this election won't be stolen by the Democrats. Because of the hard work done by Tim's Committee, Randy Gilbert's 6th District Election Integrity Committee, and the Virginia Project run by David Gordon, we have removed approximately 500,000 ineligible voters from the rolls. Making it much more difficult for the Democrats to steal this election from us. Tim please accept my apologies and accept this as a tribute to you and your hard work to try and bring free and fair elections back to Virginia.)

On the ballot this November is the difference between us remaining a free state, and becoming California East. The choice is yours.

Some Thoughts You May Not Want to Hear - For the Future.

I am the Chairman of the 6th Congressional District Republican Party. I am not the Chair of the 6th Congressional Freedom Caucus, or the 6th Congressional District Liberty Movement (Tea Party take your choice of names). I have thus endorsed each and every Republican running for office inside CD 6. This whether I agree with them or not. If you do not like your local Board of Supervisors or School Board candidate - then you have a responsibility to try and primary them at the next opportunity.

Chris Johnson for Sheriff and Sabrina Von Schilling for Commissioner of the Revenue in Waynesboro

I have been watching the Sheriff's race in Waynesboro with great interest. There are 2 candidates running - both are good Republicans. One is named

impeccable resumes. This was a tough choice, but I am going with Mr. Johnson, who is young but is incredibly street savvy and will be a mentor to many youngsters to join the conservative movement.

Sabrina Von Schilling has done an outstanding job as Commissioner of the Revenue in Waynesboro, and deserves another term. Please vote for both Chris Johnson and Sabrina Von Schilling in Waynesboro come November 2.

These are not endorsements from the 6th Congressional District Committee - but from me personally. The Waynesboro Committee - to the best of my knowledge, did not endorse a candidate in either race.

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia

I remain

your servant
