## Making the 6th District Great Again!

Dear Patriots:

Last night, Do Nothing Senator Mark Warner finally met his match in Daniel Gade, and Lt. Col Gade showed why he is the best choice for the US Senate for Virginia come November.

Gade's closing statement said it all:

"Mark Warner and I agree on one thing, though: in 1996, right after promising not to run for a third term, he said "the value of our system is that it's constantly renewed by new ideas, fresh ideas, and fresh people."

"Career politicians on both sides have made it worse: blown-out budgets, endless wars, partisan bickering over the simplest tasks, and grandstanding to win the next campaign."

"In this election, Virginians can choose a new, fresh, outside servant or they can choose a career politician."

bodies are naturally slow and plodding when it comes to passing things, and with good reason. Doing things too quickly without looking at all sides of an issue often means that bad things happen because of good intentions. With that being said, I am so proud of our Committee! We passed unanimously an endorsement of Ballot Amendment 1, which would call for an actual true non-partisan redistricting of boundary lines in Virginia. Meaning that Governor Northam and his henchlady Eileen Filler Corn and their "Va Squad" cannot completely take over the state.

We reduced Unit dues to the Committee, so that Units can spend their money on Get Out The Vote (GOTV) and not on party upkeep. Thanks to the many donors who stepped it up for the 6th District so that the Units could keep more of their hard earned money.

Maybe most importantly, the Vice Chair of the Committee (Ken Adams) and I am working on getting private funding for a radio buy for Donald Trump and Team GOP (Daniel Gade and Ben Cline). We currently have \$4,500, but need another \$3,500 to get this done.

Due to the cost, this must be paid for by funds outside of the Committee. Having radio ads to help Team GOP will only help drive turnout up for not only Trump, but for Gade, Ben Cline, and all the down ballot races. If you are interested in helping, please contact me here and I will get you a donor form and where to send the money.

Trump will be in Newport News today. Trump has not given up on Virginia, so we must not give up on Trump! Get involved with your local Unit. Make phone calls, knock on doors, help get yard signs out. There are other ways to get involved as well. For those of you in Shenandoah County, there will be a Trump rally caravan hosted by both the Shenandoah County GOP and a group called "Re-Open Virginia". Other units are looking at having caravans as well. Contact your unit to see if they're sponsoring a driving caravan. There are so many ways to get involved.

We the 6th District are so proud to have Ben Cline as our Congressman. He's doing a great job for us as well. Ben is easily the best of the freshman class in Congress, and he'll soon be the best legislator in DC!

Thanks from the bottom of my heart to each of you for all the hard work you are doing, and are going to do. It is only with your help that we will take back Virginia!

I remain your servant

S John Massoud

6th District Republican Party Chairman
