Dear Friends and Fellow Republicans

90 Former Generals and Admirals Call for the Resignations of the Defense Secretary and Chair of the Joint Chiefs of Staff

According to the UK Daily Mail, approximately 90 former Generals, Admirals, one former White House Physician to Obama, and members of the Reagan White House have called for the resignations of Chair of the Joint Chiefs of Staff 4 Star General Milley, and Secretary of Defense Lloyd Austin. This based on the obvious incompetence of the withdrawal of troops from Afghanistan. The letter says in part:

['As principal military advisors to the CINC \(Commander in Chief\)/President, the SECDEF and CJCS should have recommended against this dangerous](#)

['If they did not do everything within their authority to stop the hasty withdrawal, they should resign.](#)

Interestingly enough, Biden seems to want to own this debacle now. At first all Biden could say was how, this was Trump's doing and Trump made him do this. However yesterday Biden said the timeline was all his own, and that everyone should thank Mr. Biden for this great foreign policy success.

Which takes us to:

Quote of the Week

[Always abandon your most strategic airbase right before an evacuation - Sun Tzu.](#) Whoever came up with that one is my hero!

Team Youngkin Update

Earlier this week, Glenn Youngkin came up with his plan to rebuild Virginia from the last 8 disastrous years. Gotta admit, it's a good one! Tax cuts for all, and pay increases for our law enforcement, who have taken the brunt of abuse from the radical leftists. A 1 year suspension of the gas tax increase (which I hope becomes permanent), and 20 or more new charter schools. Given that we currently have a 2 billion dollar surplus, it seems that this is a very reasonable yet bold plan. Of course Terry McAwwful hates the plan, which is the best reason of all to support this economic recovery plan.

Last but not Least

For those of you who live in the Northern Region of CD 6, a federal grand jury announced a 34 count indictment against Jennifer McDonald, the former

County Sheriff, pilfered upwards of \$19 million dollars from the EDA - spending much of the money at the Hollywood Casino in Charles Town WV. A Warren County Special Prosecutor had announced indictments against McDonald for her stealing tax dollars from the EDA and good people of Front Royal and Warren County, but the indictments were tossed for reasons no one can understand. This scandal first came to the forefront in May 2019 when then Warren County Sheriff McEathron, who was likely to have been indicted in the EDA scandal, committed suicide.
