Making the 6th District Great Again!

Dear Friends and Fellow Republicans

As Your Voice

When running for 6th District Chair, I promised to each of you that I would not endorse a candidate nor would I put my thumb on the scale for any candidate. I did promise to be your voice to talk to candidates for local, state, and federal office. To let candidates know what each of you were thinking, what was important to each of you, and to make sure they understood this fact.

I call activists around the district on a daily basis, or meet with activists, to know what you are thinking, and so I can effectively relate what conservatives are thinking inside CD 6. We are all upset over the results from last year's election still - and most of us (myself included) believe that Donald Trump won the election in 2020, and that he was denied a victory by both ballot fraud, ballot harvesting, and questionable counting of votes in different states. A recent poll done by Sharyl Attkisson (formerly of CNN and CBS) shows that over 90% of her respondents believe that Trump won but was cheated out of the election by reasons listed above.

I have, on your behalf, relayed this to each candidate running for Statewide office in 2021. That each candidate for statewide office in 2021, for them to do well in CD 6, would have to

not understand 50 point plans, and most people are not policy wonks. We live our lives, we go to work, we take care of our loved ones, we have lives. For their plan to work, they need to be able to articulate this plan to the masses in such a way that everyone can understand.

I have spoken to 7 of the 9 current gubernatorial candidates (Octavia Johnson of Roanoke City just announced late last week) 4 of the 5 Lt. Governor candidates, and to 2 of the 4 Attorney General candidates.

I would like to take this time to thank both Glenn Youngkin and Pete Snyder, both of whom have listened to you, and have put forth ballot integrity/anti fraud election reform plans which will do away with many of the excesses and slippery way that Democrats want to handle future elections. Please take the time to read up on their proposals for election reform. I will also be speaking again to each statewide candidate and urging them to do the right thing, listen to each of your voices, and come up with a plan to ensure that elections in Virginia remain free and fair.

For those of you wanting to get involved, this is a reminder that the 6th Congressional District has put together an Election Integrity Committee. Our Committee, under the leadership of my good friend, Shenandoah County GOP Chair, and 6th District Northern Region Vice Chair Randy Gilbert, needs volunteers - also we need more Elections Officers. Please don't complain, be a part of the solution. Contact Randy at scrc-chair@shenandoahrepublican.com.

In Other Business.

Congrats to Charlie Nave, who this past weekend became the GOP Nominee in House of Delegates District 11. This District, which encompasses most of Roanoke City, is a Deep Blue District. But Charlie's hard work, his bulldog like tenacity, and his understanding of local issues and local voters give us a real possibility here. I am fully convinced that Charlie can beat the Democratic Machine of Roanoke County, and turn Roanoke into a lovely shade of bright red!

For those of you who live in Roanoke City or the surrounding regions, and can help, please contact me and I'll put you in touch with the Nave campaign.

And Last But Not Least

The two sides are still bogged down in negotiations - and this is at another impasse. For reasons that are too numerous to explain here, I am loathe to

you to be patient. However the convention will occur on May 8.

S John Massoud
