Making the 6th District Great Again!

As we enter into 2021, we can only hope and pray for better things. It's been a tough year for any lover of liberty or supporter of Republican values. We have seen an election be stolen from us and had the court system utterly fail because of a lack of spine by judges who are more interested in their own careers or advancement than doing the right thing.

We must remember to find our blessings among the hardship. And we must remember there is more work to be done. So we need to snap out of our doldrums and remember that we have work to do.

Last night at the 6th District Committee Meeting, I gave my 1st annual State of the District Address, talking about what has been since July, where we currently stand, and will be happening in the year to come.

In 2021, we will be nominating a candidate for Governor/Lt. Governor, and Attorney General in Virginia. Plus all 100 Delegate seats will be open. CD 6 is already ahead of the game, as we will be fielding a candidate in each House District in CD 6. To run in HD 11, we have at least 1 and possibly 2 candidates who want to take on the Democratic machine in Roanoke. More to come.

We heard from Kirk Cox (gubernatorial candidate), Lance Allen and Puneet Aliuwalia (both running for Lt. Governor). Amanda Chase has already announced for Governor and has been working CD 6 hard, and it is highly likely that more will announce as well. We have other candidates in the race for Lt. Governor and Attorney General as well.

The 6th Congressional District will be sponsoring a series of candidate forums for each Statewide office in the late winter and early spring of 2021. More to come.

The entire State of the District speech will be made public early next week for everyone to read.

For those of you who can make it, there will be a caravan of patriots going from Staunton to the US Capitol. See the events section below for more details. There are at least 2 meetup locations. One bus and one car caravan.

Thanks from the bottom of my heart to each of you for all the hard work you are doing, and are going to do. It is only with your help that we will take back Virginia!

I remain your servant
