Dear Friends and Fellow Republicans

Ashli Babbitt Disrespected by Woke US Military

Ashli Babbitt, who was shot and killed by the US Capitol Police on January 6 2021, was further disrespected by the US Military when it became public that this Air Force veteran was being denied a military funeral (as is her right) because she participated in a protest of the US Government's coup d'etat in the 2020 Election.

Ms. Babbitt, as I have said multiple times, should not have been where she was in the US Capitol. For that she deserved to be prosecuted. However when do we deny a military funeral because of a trespassing charge? This is nuts, but

years ago was murdered by US Federal Law Enforcement in a traffic stop gone bad) as cops have a hard job on their best days. However it is clear that Ms. Babbitt was not a danger to anyone, and the cop who shot her - well he should not have. Contrary to what Nancy Pelosi, Liz Cheney, and a bunch of counter culture liberals and DC elites want you to believe, the protest on January 6 was no counter coup d'etat. It was a peaceful protest gone awry.

From the Campaign Trail

As many of you have seen from my Facebook Posts - I've been with Team Youngkin on many stops. Have had the privilege of seeing many of you out there doing everything you can to support Team Youngkin and the entire GOP ticket. The Liberty U and JMU College Republicans have been out there doing great Get Out the Vote. Special thanks to Meredith Minto (LUCR President) and Lynchburg Commonwealth Attorney have been out there more than you can imagine door knocking to make sure that Team Youngkin wins come November.

Groups of people have been out there in force for Charlie Nave in HD 11. Same with Tony Wilt and Chris Runoin. I was door knocking this past weekend for Team GOP in Woodstock Va. But more is needed. If you can - please get involved. (Special notice that Laura Logie has been phenomenal as a phone bank queen this year once again - making thousand of calls for Team Youngkin, Team Chris Runion, and Team Tony Wilt)

A Trafalgar Poll came out on Sunday showing that Glenn Youngkin had a 1.4% lead over Terry McAwwful. But this is no time to rest on our laurels. While all the signs are now pointing to a significant GOP win on November 2 - if we let up we will falter and lose maybe our last chance to take back Virginia.

NOTE - if there is a Republican candidate who you want featured on here (must

Please remember that the Chair and the Party have endorsed each Republican nominee and endorsed candidate inside CD 6

Loudoun County

As most of you are now well aware, Loudoun County Leftist School Board Member Beth Barts has been forced to resign because of the public pressure brought onto her and to the Loudoun School Board by groups (Fight for Schools being 1st and foremost) who have brought the recall petition of most of the School Board Members to the court system. Ms. Barts likely resigned once the Leftist Commonwealth Attorney (Buta Biberaj) was forced to put in a special prosecutor in this case due to a conflict of interest. Once Ms. Barts saw the writing on the wall, she turned her tail and bravely fled. While this is a significant victory (one which I didn't think could happen mind you), it is not enough. That entire School Board must be cleansed, and the superintendent with them. These people are a poison to our youth and to our way of life.

Let's Go Brandon the #1 Song on iTunes!

We've all heard the joke about Let's Go Brandon taking the place of F Joe Biden. Well this has really taken off. Seems that a rapper named Loza Alexander has put out a song called Let's Go Brandon. The song, which treats Mr. Biden as horribly as a song can, is now the top downloaded song on iTunes. It's not my style of music, but still is pretty darned good!

and last but not least, JP Sears tells it like it is - AGAIN! (Sarcasm alert - don't watch if you don't understand sarcasm)
