Dear Friends and Fellow Republicans

Ben Cline Takes On the Swamp Masters in Congress

Earlier this week, 6th District Va Congressman Ben Cline took to the House Floor to take on and expose the nutty spending ideas of the radical left. It is the duty of each Republican in Congress to back Ben Cline and call out the Democrats on just how radical this spending bill is:

Team Youngkin Needs Your Help!

Please read this note from Charles Ferry of Team Youngkin

Hello fellow conservatives! My name is Charles Ferry and I'm the Regional Political Director for Glenn Youngkin in the Valley. I'm a fifth generation farmer

There are three things that I could use your help with: **volunteers, events,** and **surrogates.**

Volunteers — we are all hands on deck for this election and the stakes couldn't be higher. We'll get this done in November if we each take a small part of the load and work together! If you'd like to doorknock, phonebank, or volunteer otherwise, please let me know!

Events — I know the Valley well, but I don't know everything! Is there an event, festival, local meeting, or fair in your community where you think the Youngkin team should have a presence? PLEASE let me know! And better yet, if you'd like to help us table at that event, please do!

Surrogates — Glenn has a lot of energy and is working hard, but he can only be in one place at a time. Would you like to speak as a surrogate for the campaign at an event, fundraiser, or meeting in your area? Drop me a line!

Finally, I am here as a resource for anything and everything that you need. I live in Rockbridge County, so I'm right in the middle of the Valley. Please do not hesitate to contact me anytime, day or night, at 435-720-2108 or charlesf@youngkinforgovernor.com. Let's win this thing!

5,096

This is a number that each conservative activist needs to keep close to their heart. The number 5,096 is the exact number of votes that we lost control of the House of Delegates statewide by in 2019. Control of the House will be up to a few hundred votes in a few different legislative Districts. However that does not mean that we can take off from working just because we live in a 70% Republican District. We need to work hard in each Legislative or Magisterial District so that the Democrats know that that each area of CD 6 is a bright shade of red.

Charlie Nave needs your help in Roanoke City. Please get out to vote and support him. Charlie is busting his backside to "Make Roanoke Great Again", and he needs your support - both financial and boots on the ground. Tony Wilt in Rockingham Harrisonburg needs your help - we cannot win back Virginia if Tony Wilt loses his seat. Same with Chris Runion in Augusta/Rockingham. Chris is running against a well funded challenger. Now Chris will win come November - but it's not enough to win - we need to body slam each person running against a duly nominated Republican. so that the powers that be will know CD 6 is and will always be a lovely shade of Red! Plus each voter for

Another candidate who I've helped recruit for School Board who needs your help is Brandi Rutz - she lives in the 5th Magisterial District of Shenandoah County - and is running for School Board. Wade Guinn in the 4th Magisterial District of Shenandoah County needs your help too! Wade is taking on a well entrenched yet vulnerable incumbent in a 60% GOP leaning District for the Board of Supervisors. There are literally dozens of candidates up and down the Congressional District who need your support.

We're going to need to re-elect Claudia Tucker in District 2 of Amherst County - the Democrats have put up a radical against Claudia. Vicky Cook in Fork District of Warren County has another lunatic running against her. More about this race and many others in the days and weeks to come. The list goes on and on.

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia
