Dear Friends and Fellow Republicans

## **Ben Cline Supports Impeachment Inquiry**

Yesterday, Congressman Ben Cline put out a statement supporting the impeachment inquiry. For years now, all of us have seen how much Joe Biden has corrupted this political system. An impeachment inquiry is the 1<sup>st</sup> step towards Articles of Impeachment.

In Ben's statement to the media and to his constituents, Ben Cline said:

**“The Administration continues to stonewall Congress’ ongoing investigations and slow walk the production of evidence, preventing the American people from finding out if the President accepted bribes or abused his position of power to enrich himself or his family.”**

Ben Cline continued with **“ I support the opening of an impeachment inquiry into the actions of President Biden, and as a Member of the Judiciary Committee, I will follow the facts wherever they lead”.**

While those radical leftists who have taken over the Democrat party will howl that this is unfair, the fact is that Joe Biden and the Biden Crime Family have corrupted the government, and they have weaponized the federal government against We the People.

Please take a few minutes and write to Ben Cline about your support for his heroic stand on impeachment. Ben has our back in Washington DC, and we need to have his back here. Please contact his office at the link below:
