Dear Friends and Fellow Republicans

Democrat/Bidenflation Costing Americans \$717 per month extra

According to a study published over the weekend by the Joint Economic Committee Republicans, it turns out that the average American is paying out an extra \$717.00 per month because of Bidenflation and higher gas prices - again thanks to Joe Biden, Democrats, and their war on workable energy. The JEC goes on to say that even if prices stop rising now (which we all know they won't), the average American has lost \$8,607 in spending power from a little over a year ago. Real earnings have dropped 3% in 2022. For more read here:

Just Why Is Liz Cheney Going to Lose Tomorrow?

Yes Wyoming residents are upset about Liz Cheney voting to impeach Donald Trump - and yes they are upset over her being a stooge for the J6 kangaroo court. But it's more than that. Most residents of Wyoming don't think that Liz

election about Donald Trump. Harriet Hageman is making this election about Wyoming and issues important to citizens of Wyoming - such as government overreach. Wyoming voters appreciate the fact that Hageman is interested in working on agricultural, energy, and other issues important to them.

Tim Tebow Taking on Human Trafficking. Why? Because Democrats In Power In Washington DC Won't

Since Democrats are too busy re-litigating the American Civil War to focus on sex trafficking and other modern day slavery, former NFL QB Tim Tebow has decided to take on human trafficking around the world. Approximately 1.2 million children are sold into slavery each year. Senator Josh Hawley has pushed for human trafficking reform for years now, only to have his legislation killed by the leftists in Washington. Thank you Tim Tebow for making this a focus of your life - the end of slavery.

Once Again

Remember there are a lot of different local races on the ballot this November. Waynesboro has City Council and School Board elections, as does Harrisonburg, Winchester, and Roanoke. I believe Staunton has City Council races too. Clarke County has a School Board race (Go Andrew MacDonald!). Lexington has a City Council race. Botetourt County has a Treasurer's race. At least 5 different Towns in Shenandoah County have Town Council races - as does Front Royal. What happens at the local level is just as important as what happens at the state or federal level. Please get involved for the candidate of your choice - does no good to win nationally and then to lose locally.

I've gotten to meet and know personally so many of these fine candidates - please take the time to get to know them too. I wish there was time and space to list each one and each race, but it's not really possible. I'll be covering these local races a bit more in depth in the weeks to come.

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia

I remain

your servant
