Making the 6th District Great Again!

Dear Friends and Fellow Republicans

Big Tech is at it - AGAIN

Most of us are watching with great anticipation with the results of the audit in Maricopa County Arizona. This will either prove what we have said all along (about the election being stolen) or disprove us, and then we move onward and upward. However Twitter, in their infinite wisdom, has decided that the good people of the USA are not entitled to hear what is happening in Maricopa County Az, and have suspended the twitter feed of the people covering the Az election audit.

Not to be outdone, Twitter also decided to suspend the account of our Lt. Governor candidate, Winsome Sears. This occurred for reasons we cannot fathom. While Twitter did reinstate Ms. Sears' account, the fact is that this is a horrible censoring of conservatives, and the GOP must do everything they can to overturn Section 230 of the US Communications Decency Act, which allows for Social Media companies to act unilaterally when it comes to suspending their users (this is a very simplistic definition of Section 230 and it says alot more - just abbreviating it for this edition)

Recently, Facebook has suspended the accounts of 2 prominent conservatives in the District, Waynesboro GOP Social Media Chair Brandi Thompson and Dwight Williams. Seems that we're not allowed to discuss concerns with the vaccine now. The list goes on and on. It's funny how certain "civil libertarians" are ok with how FB and Twitter suspend the accounts of certain persons, and then these same enlightened persons are ok with this and then call for more "free speech" for everyone who agrees with their warped points of view.

Waynesboro HQ is now open for business - please contact Jerry Wilson to help out. He can be reached at 540 241 5152.

Something big may be brewing in California. The numbers to recall Governor Gavin Newsom are getting very close to the margin of polling error. Currently 47% of Californians support removal of the Governor, and 50% are against removal. This cannot be good news for Newsom. Interesting fun fact, if Newsom is recalled, conservative activist Larry Elder is in the lead to replace Newsom. If elected, Elder would be California's 1st African American governor.

Newsom comparing people not getting the vaccine to drunk drivers isn't helping his cause either.

It seems that Americans are finally tiring of Biden's hyper partisan agenda. They're also sick and tired of being insulted by Mr. Biden and the MSM. Have never understood insulting someone who disagrees with you but is persuadable - makes absolutely no sense - but that's how radical leftists are.

Had a great time being with all of you at the Augusta County Fair yesterday evening. A special thanks to Dave Bourne and Team Augusta for all their hard work in putting the booth together. Last night. Staunton GOP Chair and his team manned the booth. Waynesboro GOP has also been active and will be helping man the booth too! Special thanks to all their volunteers for being out on a hot day to cheer on Team Youngkin and the entire GOP Ticket. Was great to see Delegates Chris Runion and John Avoli there to meet voters. Think I also saw Pastures District Supervisor Pam Carter there at the Fair too. County Fairs are the best!

Election season starts soon. Early voting begins on September 17. Tell your friends and neighbors to get out there and vote early.

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia

I remain

your servant
