Dear Friends and Fellow Republicans

Congratulations to Ben Cline!

Yesterday at approximately 7 27 PM, the Associated Press announced that Congressman Ben Cline was the winner of the 6th Congressional District Primary. Congratulations to Ben Cline on a rather big win. With more than 95% of the votes having been counted, Ben won with over 82% of the vote.

I'd like to take this time to personally thank Mr. Merritt Hale on a hard fought race. Merritt worked hard and showed promise as a voice for the future. After having spoken with Merritt last night, I'm confident that he will remain active and will be a force for many years to come. Merritt was very gracious in his concession, and that will do much to help us move forward come the fall.

Now it is onto November and to the real prize. Taking back Congress from Nancy Pelosi and the radical leftists who now control the Democrat Party, and also taking back Virginia. We have work to do, and we are at our best when we are working together to accomplish a common goal. We will not survive as a nation if we do not remove from power the radical left, and this will not occur if we don't pull together and send these leftist lunatics to the ash heap of history where they belong.

I spent all day at the polls - and was glad to see so much energy from so many volunteers. Had the privilege of spending a couple of hours with James Bergida of the North Shenandoah Valley YR's. Watching Doug Whitelock of Strasburg working to get new recruits was inspiring as well. The list goes on and on. I apologize for not mentioning everyone by name. There were so many of you. Please accept my humble thanks. And the Elections Officers/Poll Watchers who were making sure that the rules were followed are and will always be the real heroes.

While I can't mention each of you, I'd like to take this time to thank each of the Elections Officers, Poll Watchers, and volunteers for both Merritt Hale and Ben Cline for all their hard work. Now onward and upward.

More Child Abuse From the Radical Left

The Bull Elephant had a great article earlier this week on how pushing the

"The Occasional Butchery of Children"
