Dear Friends and Fellow Republicans

Conservatives Go Big!

For those of you who have not heard, last week, Governor Abbott of Texas and

Sick and tired of being dumped on by the Biden regime, Governor Abbott flew 50 illegal immigrants to Martha's Vineyard for them to take care of. And almost immediately after Kamala Harris said that the border was secure on NBC's Meet the Press, Governor Ron DeSantis bused border jumpers to the Naval Observatory (VP's taxpayer funded home) to show once and for all that the border really isn't secure and that these people in charge inside Washington DC are really not interested in securing the border, but in changing the makeup of Washington DC. Isn't it good to see Republicans fighting back instead of being walked on?

Tucker Carlson as per usual got it right last week. See for yourself.

Note the picture above. The self appointed elitists of Martha's Vineyard only care about immigrants when the immigrants are serving them quiche.

November 8 Will Be UGLY for the Democrats!

Don't let anyone fool you. This November will be brutal for the Democrat Party. People can say anything they want about how the Democrats are coming back and will win in November. But facts are stubborn things, and the fact is that more and more Democrats are running away from Joe Biden. The latest to do so is Mark Kelly in Arizona. Kelly was supposed to be a runaway winner (according to the self appointed experts) against Blake Masters. However Senator Kelly, who votes with Biden over 90% of the time, now has less than a 2 point lead and that is going down fast. Not to be outdone, that ranting raving lunatic John Fetterman (or he calls himself Fetterwoman) is now barely up over Dr. Oz in Pennsylvania.

In the Arizona Governor's race - Trump supporter Kari Lake is up by more than the margin of error in Arizona. The list goes on and on. Maybe it has something to do with the fact that Democrats are afraid to debate us? Given the fact they're running on a platform of inflation, crime, Afghanistan, foreign policy crises, and the abdication of personal responsibility and embracing

afraid to debate her, here is the official schedule of candidate forums inside CD 6:
