## Making the 6th District Great Again!

Dear Patriots:

Having met Daniel Gade on several occasions, he never ceases to amaze me. Gade is a true man's man, and that is pretty obvious to everyone in Virginia. Even Mark Warner recognizes this, as Warner skipped their 1st debate in my old stomping grounds, the Arlington County Civic Federation. Having been a former member of the Arlington Civic Federation, I can say from experience that no serious candidate for any office skips the Civic Federation Debate.

Gade was at the Warren County Pig Roast on Saturday, after having done a hectic day of campaigning everywhere from NOVA to the Tidewater area. However that didn't stop him from coming by to see us in the 6th, and talking about his vision for Virginia and the job of a US Senator. Listen to this man, remember that he was actually door knocking with the volunteers that morning in NOVA - and how much energy and enthusiasm he has - how hard he'll work to protect and defend our Constitution. And compare him to Mark Warner,

Please take a minute to view Gade's ad, and make a donation if you can. His campaign needs the money - he has an actual chance to defeat Mark Warner, but only with your help!

Thanks from the bottom of my heart to each of you for all the hard work you are doing, and are going to do. It is only with your help that we will take back Virginia!

I remain your servant
