Dear Friends and Fellow Republicans

Democrats Losing Their Own Supporters

This past weekend, on one of the usual Sunday morning talking head shows, Jen Psaki was on their roundtable, and said some chilling words about the Senate race in Wisconsin. Jen Psaki, a no holds barred apologist for Joe Biden and radical leftism, said that Mandela Barnes, the Democrat nominee for Senate in Wisconsin - was "disconnected from his words" when talking about the supposed January 6 insurrection and should have focused more on crime in Wisconsin.

Joe Biden Sinking Democrat Hopes in Battleground Senate Races

For all the talk you hear from the Democrat talking heads about how Democrats will hold the Senate, well, they will have Joe Biden being hung around their necks like an albatross. Joe Biden is sinking Democrat hopes of holding the Senate with his awful policies and his being a total embarrassment to our Republic.

Democrats Are The Real Racists!

For all their talk about how racist and sexist we are, when was the last time you heard any Republican talk like the LA City Council President? Nury Martinez was caught on a hot mic saying some rather interesting things about one of her fellow Council Members, and their 2 year old son. Ms. Martinez also made some rather disgusting statements about LA DA Gascon. I'm no fan of Gascon, and hope one day LA recalls him. But her words about Gascon are beneath contempt. Read more here:
