

The Valley Patriot

Making the 6th District Great Again!

Dear Patriots:

Early voting starts in Virginia. If you know of anyone who is unable to vote on Election Day, for whatever reason, or who is afraid of being around people because of the virus, please help get them to the local Voter Registrar - sooner rather than later.

You no longer need to have a reason to vote absentee in Virginia. The ways that the Democrats have set up the early voting in Virginia are rife with fraud - so it is of the utmost importance that each of us vote come this November. Whether or not you vote traditionally or on Election Day, your vote will still be counted. But we need you. If you can help out in any way either on Election Day as a poll watcher, as an Election Officer, or just getting your neighbors to the polls, we need you. And since voting now begins today, odds are your services will be needed at the voter registrar's office starting today.

You may either request a mail in ballot, or go to your local voter registrar and vote there.

Also, letting everyone know that the 6th Congressional District Committee will be meeting on the 23rd to discuss Ballot Amendment 1, the non-partisan redistricting. Please vote for Ballot Amendment 1 come this November 3.

Thanks from the bottom of my heart to each of you for all the hard work you are doing, and are going to do. It is only with your help that we will take back Virginia!

I remain your servant

S John Massoud
6th District Republican Party Chairman
