## **Being a Democrat Politician Means No Accountability Or Having To Say "Sorry"**

One of the lesser told stories of the whole Cuomo scandal is the fact that Dani Lever, a Facebook Executive was helping Cuomo to smear one of his accusers. It seems that Ms. Lever was helping Governor Cuomo to send out a personnel file of one of the Governor's accusers to try and bully her into silence. Lindsay Boylan, who was the first to go public with her accusations of harassment and assault against Governor Cuomo, has taken months of bullying and harassment from the Governor's office, and it seems that Facebook Executive Lever was responsible for leaking her personnel files. Of

Quite frankly, both Lever and Zuckerberg should be arrested, along with Governor Cuomo.

### **Time to Impeach Joe Biden?**

Earlier this year, the Supreme Court found that the "eviction moratorium" put in place by the Center for Disease Control, was unconstitutional. Both Mr. Biden and his PR agent Jen Psaki stated publicly that there is no way to overturn a Supreme Court decision. Until they decided to that is. The White House announced earlier this week that it would not heed the Supreme Court's decision to bar the CDC from prohibiting rent foreclosures and evictions.

Forgetting the obvious damage to property rights that is occurring here, why is the CDC involved in such matters? Can someone explain why the CDC is involved in what a landlord and tenant do? Especially since most landlords are trying to work with their tenants in such a way as to keep good people inside their homes. Mr. Biden has done something which is clearly illegal, and the question is, does this rise to the level of impeachment? At the very least, Mr. Biden is acting outside the law, and the GOP must expose Mr. Biden as the tyrant that he is. Just think if President Trump or some other Republican had willingly defied a Supreme Court order.

### **California Recall May Pass**

A recent poll shows that the California recall may pass, tossing corrupt elitist Governor Gavin Newsome out of office. With 40% supporting Newsome, and 51% saying that Newsome must go, this may be the end (or the beginning of the end) of leftism in California. One of the leaders in the race to replace Newsome is radio talk show host Larry Elder. Elder, if elected, would be the 1st African American Governor of California. Oh if that happened, just think how

### **Onto November 2021**

Remember that we need your help to combat voter fraud in Virginia. Please agree to serve as a Poll Watcher or Elections Official - you will be performing a great service to ensure that the leftists can't steal this election.

### **Thank you for your service Jeff Mayfield and Welcome to Pat Haden**

Earlier this week, Harrisonburg GOP Chair Jeff Mayfield turned in his resignation as Unit Chair, as he was getting ready to move outside of the City limits. Jeff was a pleasure to work with, and he is a passionate fighter on the issues which are important to him and to all conservatives. Pat Haden will be the new Harrisonburg GOP Chair. Pat is a worker and a fighter who will inspire a new group of leaders in Harrisonburg Republican politics. I look forward to working with Pat and the Harrisonburg Republicans to help take back Virginia. And Jeff will be sorely missed.

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia
