Dear Friends and Fellow Republicans

Redistricting Is Finally Done

The new maps are in, the Virginia Supreme Court has spoken, and there is a brand new 6th Congressional District. CD 6 bids a fond farewell to Amherst, Bedford, and Lynchburg, and welcomes Allegheny, Clarke, Covington, Frederick, Salem, and Winchester.

To be perfectly honest, I am not 100% yet sure how this new map will affect Congressional races statewide. CD 1, 5, 6, and 9 remain strong conservative. CD 2 (Virginia Beach) leans GOP, and how this affects CD 7 and 10 I do not know. Best guess is that CD 7 is more of a Republican District - but until my

To those of you in Lynchburg, Bedford, and Amherst, I have enjoyed getting to work with you and wish nothing but good things in the future. Made many friends in these locales and will miss pretty much everyone who is leaving. With that being said, I'm looking forward to making new friends and meeting new people and helping to ensure that CD 6 is the best District in Virginia.

The legislative maps for the House of Delegates and State Senate are also available, text me at 703 869 7945 if you want one. Please let me know who this is when texting if we have not spoken already.

This is the final version. Most likely lawsuits will occur - how likely those will be to succeed, well only a state or federal judge can know.

2021 Amber Haskew Awards

For those of you new to CD 6, we issue awards to the best volunteers around the District. These awards are given to the best volunteers in each locale inside CD 6 who go out of their way to ensure that conservative Republicans win. We gave out in excess of 25 of these for Year 2020, and this will be the 2nd annual set of awards given.

Amber Haskew is the former Political Director of Lynchburg City, and she has been a crucial player in Lynchburg politics for years now. Amber is so formidable, not to mention smart and the most persuasive person I've ever met, that if we had an Amber Haskew in each precinct or legislative District in Va, we'd never lose an election. It is in honor of Amber that CD 6 gives this award.

If there is someone you want considered for the 2nd Annual Amber Haskew Volunteer Award, contact your local GOP Committee Chair and have them nominate this person to me.

For the 2020 season, we gave out nearly 30 awards. We'll see how many for this year.

- 1) No Unit Chairs
- 2) No Elected Officials
- 3) Your service to the conservative movement or a candidate must be documented

Trouble Inside the Democratic/Leftist Movement for the Future?

Rasmussen Reports came out with a poll which will make Democrats tremble. Seems that the overwhelming number of African Americans believe that there are only 2 genders. Now the numbers polled are rather small, but the finding is significant. Most interesting is the fact that pretty much all of the respondents are Democrats. Meaning that the radical left movement is going out of their way to offend their core supporters.

And more Americans are becoming concerned about "woke" politics and the cancel culture which has infected the Democrat Party. This can only lead to bad things for Democrats come November.
