Dear Friends and Fellow Republicans

Democrats Want Us To Suffer

For over 2 years now, we've all known that the Facebook "fact checkers" were basically discriminating against movement conservatives in how they'd enforce posts. One of us says something about Trump and Stop the Steal, and we get banned. Someone says Kill Republicans, and that conveniently gets overlooked. Or Twitter bans Donald Trump and is ok with the Ayatollah's in Iran.

Well thanks to a lawsuit by Fox News' John Stossel, we now know that Facebook bans posts not based on "independent fact checkers" but based on

Fascinating video from Prager U - talking about everything from how Defund the Police is a failure to Facebook fact checkers being a lie, to how Fauci has used Facebook to shut down the Republic.

Ben Cline Tours the District

One of the great things about Ben is that he listens to the needs of his constituents, and not what the K Street Lobbyists want him to do. This week, Ben has been holding Town Hall meetings in locales, and among them is Highland County. For those of you not aware, Highland is the smallest county in Virginia, with less than 3,000 people (probably closer to 2,100), and yet Ben has a Town Hall meeting to hear what is important to the good people of Highland. Ben was also in Buena Vista, Amherst, and will be in Roanoke tonight. Unlike radical leftists like Gerry Connolly in VA CD 11, who only allows Democrats into his Town Hall meetings, Ben understands that he represents all of his constituents in CD 6.

Ben has also taken the lead in making sure that everyone knows that the "Build Back Better" plan of Joe Biden and Nancy Pelosi really means "Build Back Broke" as this plan will cost us 5 trillion dollars and not the 1.75 trillion dollars that they've been saying.

Thanks for looking after us Ben!

A Christmas Poem (written by Jeanine Lawson - running for Congress in CD 10)

Twas the Christmas Season
And all through the land
House Democrat spending
Was completely out of hand

But Pelosi and her Puppets
Batted not an eye
Now gas and groceries
Are costing us more
And families are struggling
Like never before
Celebrating the Christmas Season
Should not be this tough
So tell your local Democrats
You've had enough

Thank you for allowing me to serve you as your Chair. I have enjoyed getting to meet and know each and everyone of you and am looking forward to the next two years as well! Time to take back the House!

I remain

your servant
