Dear Friends and Fellow Republicans

### Here There Everywhere

Can anything be more embarrassing than that image above? Nevada had their "Beauty Contest" (non binding primary in which voters were allowed to cast their opinion but no delegates were attached), and picked "none of the above" rather than Nikki Haley. Because of a bizarre quirk in NV election laws, a candidate cannot participate in both the beauty contest and the caucus which will be in 2 days. So Nikki Haley decided to participate in the beauty contest, and lost to "none of the above".

Trump will win the Nevada caucus later this week, and will get all of the delegates.

Having run for office before, and knowing what one must go through, before today I refused to laugh or sneer at Nikki Haley. She tried to do something, and is failing. That is admirable. I don't agree with her on several policy issues, but Ms. Haley is to be admired for sticking her neck out and telling us how she could make the country better. However she is no longer doing this. Instead Ms. Haley is acting out in a rather immature fashion, and is no longer being an

petulant. This is not helpful to Ms. Haley, and to the causes she supports.

And yesterday Ms. Haley didn't help herself by blaming Republicans for the disastrous immigration bill that is going down to defeat. Everyone with 1/2 a brain knows that Biden singlehandedly created this crisis, and Biden can solve this by himself by closing the border and enforcing current laws.

Ms. Haley needs to figure out what she is doing, and what is her real strategy. She has to know that she cannot stop Trump now. If she's positioning herself for 2028, this is not a good way to go about it.

And In Washington

Yesterday, 3 House Republicans sent the impeachment of Alejandro Mayorkis to defeat. A 4th changed their vote so they can bring this up again (according to Robert's Rules of Order). What Mr. Buck of Colorado and his group of renegades was thinking is beyond me. The man is allowing our country to be taken over, and House Republicans have a duty to stand up to this invasion. Fortunately Mr. Buck is not running for re-election. Not sure about the other 2.

However on the good side, it seems that RNC Chair Ronna McDaniel will resign soon after the South Carolina Primary. This can only be good news for a National Party which is more interested in throwing galas and big money bashes than raising money and issue advocacy to get candidates elected. Many of us were disgusted at the 3 M's who cost us alot of seats in 2022 (Kevin McCarthy, Mitch McConnell, and Ronna Romney McDaniel). Now 2 of those 3 are gone, and only Mitch McConnell remains. This can only be good news.

(NOTE - There will be a tribute coming out to Rush Limbaugh tomorrow - a special Super Bown Tribute that Rush would love)

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia
