Dear Friends and Fellow Republicans

What's New Inside CD 6

Friends

Was a rather busy weekend in the District this past few days. A few highlights (and a sad note too)

1) Marshall Pattie put on another great GOVT rally with Team Youngkin on Friday in Harrisonburg. A special thanks to everyone who helped get this rally off to a great success, and to Rockingham GOP Chair Daryl Borquist for all his hard work in getting this event finalized. Several hundred were in attendance.

support of the GOP and the conservative movement. Was great seeing so many patriots there who are sick and tired of business as usual from Team Biden. Thanks to Collette Barry-Rec for putting this event together. I showed up to root on the parade, but had to go to another event listed below.

3) We had a great time at a fundraiser for Ronnie Campbell in Amherst Saturday afternoon/evening. A special thanks to everyone who made this event a success. And to Rich Anderson for coming by to support Team Ronnie.

4) The Liberty and JMU College Republicans are doing a great job with GOTV for both Team GOP. We're going to take back the House and Governor's mansion with their enthusiasm.

5) I had the privilege of door knocking Sunday for Team Youngkin/Josh Stephens/Dennis Barlow in New Market Va. You can feel the enthusiasm this year. The more I see from the ground, the more I see us taking back Virginia come November.

6) On a sad note, a few days ago Lynchburg GOP Treasurer Andy Morse died. His funeral was Saturday. Andy was a sweetheart of a guy, and a great loss to his Unit and to the cause of Republican values. The funeral was a moving tribute to the life of a great American. And the ultimate tribute to Andy was how much everyone in the Lynchburg GOP loved him. Sometimes Republicans fight amongst our own. But no one fought with Andy. Everyone loved him. Heaven is enriched, and we will miss him dearly.

7) Maybe most importantly, our own Jack Collins (the new Webmaster and Tech Chair of CD 6) has redone our website. More needs to be done - but Jack did an outstanding job making sure that the District Committee has a 1st class website. Check it out yourself - <https://www.sixthdistrictgop.org/>

Of course - at the end of the day, all things rise and fall with each of you. We can't get Glenn Youngkin across the finish line without your help. Please get involved. Contact your local GOP Committee to see what you can do to help out. If you don't know your local Committee - or need help, please email me or call me at 703 869 7945.

Hidden from each of you by the MSM, the fact is that likely, Trump won Arizona. At the very least, there were at least 18,000 double and triple votes for Biden in 2020. And another 32,000 ballots require further inspection. The Arizona Legislature needs to do the right thing and invalidate their electoral college count.

Words of Wisdom from Ros Poplar

Ros Poplar, an activist from New Market/Orkney Springs in Shenandoah County, wrote an excellent Op-Ed piece in The Bull Elephant this past week. He explains in rather fascinating terms just what is wrong with the modern day Democratic Party. Please read Ros's article here: <http://thebullelephant.com/reaping-the-seeds-of-the-democratic-party-harvest/>

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia

I remain

your servant
