Making the 6th District Great Again!

Dear Friends and Fellow Republicans

As most of you are aware by now, our President tested positive for the COVID virus, and as a precaution was taken to Walter Reed Hospital over the weekend. He is expected to make a full recovery.

We have all known for quite some time that the radical leftists are hate filled people. What

many of us did not know, or did not want to acknowledge, was how widespread this hatred has become. Over the weekend, Waynesboro GOP Chair Danny Ledford, in conjunction with District Vice Chair Ken Adams, and Central Regional Vice Chair Dwight Williams, had a flag waving rally in Downtown Waynesboro. The overwhelming majority of people were Trump supporters, and there were a few Biden supporters driving by. It was sickening to see how hateful the Biden supporters were.

The rally had about 25 people, of all ethnicities and ages. Dwight's 2 children, ages 8 and 11 were there. While we have come to expect hatred out of the left, their depravity reached a new low, when several of these superior persons stuck their middle finger at Dwight's 2 children.

This is the new norm coming from the radical leftists. Now these same "compassionate" people are openly wishing the President would die from the virus. Twitter and Facebook, both of whom stifle speech from conservatives, are perfectly fine with people wishing our President dead.

We must remember to be better people than they are.

There is a lot of good news coming from our side. Warren County had a YUGE Trump Rally Friday night in which over 300 people showed, to hear from Mrs. Wendy Gade (Daniel's wife), the next Delegate from Warren and Frederick Counties (Bill Wiley) and Front Royal Town Council Candidates (Lori Athey Cockrill, Scott Lloyd, and Joe McFadden) and our Mayoral candidate Chris Holloway. Wendy Gade will be a force in Virginia politics for many years to come - truly a lovely lady with classic southern grace and manners.

Below is a video of the Shenandoah County GOP Trump Train. Unit Chair Randy Gilbert, with a lot of help from activist Sabrina Schnibel, helped organize this event. Here is a video of the Caravan. https://youtu.be/zDI4A2Ty0_4

More of these caravans are coming. Here is a video of the Waynesboro Trump Flag Waving Rally on Saturday October 3. <https://www.youtube.com/watch?v=Obw6oX80mQ4>

The Party needs your help. If you can get involved in any way possible, please contact your local Committee. If you do not know who your Unit Chair is, email me back and I'll gladly put you in contact with them. Help is needed in door knocking and phone banking.

I specifically did not share videos of the Black Lives Matter people flipping off the children and the peaceful Trump supporters.

An update on the radio ads. The 6th Congressional District Committee, with your help, raised in excess of \$13,000 to run radio ads for Team Trump and Team GOP. Thanks to

each of you for your support and help. Because of your generosity, these radio ads will run up and down the entire 6th Congressional District, and into parts of the 5th and 10th as well.

Thanks from the bottom of my heart to each of you for all the hard work you are doing, and are going to do. It is only with your help that we will take back Virginia!

I remain your servant

S John Massoud
6th District Republican Party Chairman
