Making the 6th District Great Again!

Dear Friends and Fellow Republicans

Earlier this week, it became known to me that our Congressman, Ben Cline, scored an A+ on both the Susan B Anthony List National Pro Life Scorecard, and on the NRA's scorecard. And as stated in Ben's newsletter:

[While Democrats have grown increasingly radical on both life and guns, voters in the 6th District can rest assured that Ben Cline is strongly and unapologetically pro-life and pro-Second Amendment.](#)

As many of you are now well aware, earlier this week the 6th District Committee started running radio ads up and down the District (also partly in CD5 and CD10 as well) to ramp up turnout for Donald Trump, and thus Ben Cline and Daniel Gade as well. So far we are hearing nothing but positive feedback from the radio ads, and expect this will give us an additional 5% boost in CD 6.

I've been traveling up and down the District these past few weeks, and talking to each of the volunteers and the Unit Chairs and other prominent Republicans up and down the 6th and can say that there is something afoot - an energy not seen in Virginia since 2009. People are motivated and energized and wanting to get out and vote for Trump Gade and Cline. And with alot of hard work, we just might see a headline saying "Virginia Goes From Blue To Red" come November 4 2020. Don't laugh or think this delusional. The Democrats have a horrible set of candidates in Biden/Harris/Warner/Choose a lackey. We have great ones in CD 6 and around the Commonwealth.

Spent last night in Augusta, and the energy there was amazing. Unit Chair Dave Bourne has everyone amped and ready to go! Same with Chad Simmons in Botetourt (was in Botetourt for 3 different events this weekend) and in each locale around the District. From Amherst to Waynesboro, to Roanoke to Front Royal, every Republican I meet is excited with an energy I've not seen since we elected a Republican governor last.

Thanks from the bottom of my heart to each of you for all the hard work you are doing, and are going to do. It is only with your help that we will take back Virginia!

I remain your servant

S John Massoud
6th District Republican Party Chairman
