Dear Friends and Fellow Republicans

Jussie Smollett Receives a Stiff Sentence - 150 Days in Jail!

shut his mouth (after evidence proved that he paid his bodyguards to beat him up), was sentenced to 150 days in jail yesterday. Smollett, after being sentenced, went off on the judge and showed that he's learned nothing from his humiliation.

Watch Mr. Smollett go off near the end of the video: <https://www.youtube.com/watch?v=536A5fpuQQI>

We've never heard back from his many defenders - who refuse to acknowledge that Mr. Smollett did major damage to race relations in the USA. At the end, Smollett screamed that he wasn't suicidal. And while 80% of Americans (if you believe this poll) say that they'll take higher gas prices if it helps Ukraine. However most Americans (who are intellectually honest) will say that we should be drilling for our own oil. A group of Democrats who are in swing Districts around the nation have signed off onto a letter asking for Joe Biden to resume production of our

But remember, Biden and his cronies will buy oil from Venezuela. So remember, it's not that Biden hates oil - it's that Biden wants us to suffer.

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia
