Dear Friends and Fellow Republicans

Victories In The War Against Woke

Thanks to great American patriots like Thomas Hinnant, and Bishop Larry Johnson, we are starting to see victories being won in the war against Wokeism and the war being waged by Democrats against our children. Thomas Hinnant of Warren County, and Danny Goad of Botetourt County, both inside CD 6, have taken on the Democrats and their enablers, and have won big victories. Mr. Hinnant and others such as Bishop Larry Johnson helped pressure the Warren Board of Supervisors to withhold funding for the Samuels Library. The Samuels Library started putting sexually suggestive materials in the children's

McFadden Sr. and Jr. as well.

Not to be outdone, Danny Goad of Botetourt has been leading the fight in removing pornographic materials in the library in Botetourt. Well done one and all.

And yes that is me at the :32 mark. I did speak later in the meeting.

Lia Thomas Embraces Antifa

Because he cares about women's rights so much (note that I said HE and not SHE), transgender swimmer Lia Thomas (formerly William Thomas) has decided to join up with Antifa – this past weekend Lia took a photograph wearing a shirt that said “Antifa Super Soldier”. Antifa is a group who, among other things, believes that anyone who is against “trans rights” should be taken out and shot. Fortunately, women athletes such as Riley Gaines and even Martina Navratilova have come out and said that Lia has an unfair advantage. Antifa activists are notorious for beating up women who understand that there is a difference between a man and a woman. Among them being the well known feminist Maria MacLachlan, age 61, who was beaten up at a rally a few years back – Maria's sin? She filmed trans activists going off on anyone who didn't support their militant agenda.
