Dear Friends and Fellow Republicans

Team Youngkin Visits Buena Vista for Labor Day!

While Scary Terry McAwful pals around with his limousine liberal pals in NOVA and Richmond, Team Youngkin and Ben Cline were visiting Buena Vista for the annual parade and GOP Breakfast. For those of you unable to attend - between 125-150 local folk from the Rockbridge area were on hand to listen to Ben, and the entire GOP statewide ticket talk about how we're going to take back Virginia this year, and how this is the start of something special.

After the GOP breakfast was the parade, and the contrast couldn't be clearer. Glenn Youngkin, Winsome Sears, Jason Miyares, Ben Cline, along with

Virginia. Tax cuts instead of tax hikes. Defend the police instead of defund the police.

And of course, no one from the leftists statewide ticket showed. Seems that the limousine liberals don't like us common folk.

I'd like to thank the Rockbridge Area GOP for placing an empty table, with a plate named for each US soldier who died in Afghanistan this past week. It meant alot to me personally, I spend much of my time thanking veterans and those on current duty - thanking them for trying to free my father's homeland from Islamic fascism. It is sad that too many over there do not appreciate the sacrifices that these families and these veterans have made.

Saint Fauci Caught In Another Lie

If you remember a couple of months ago, Senator Rand Paul called out St. Fauci for funding the Wuhan Lab on funding "gain of function" research on the COVID virus, something that Fauci quickly and angrily denied. Well thanks to a FOIA request, it seems that Rand Paul was correct, and that Mr. Fauci is a sociopath who has lied his way to the top and is the main reason the world has been shut down.

The DoJ must investigate and then charge Mr. Fauci with perjury, and if the Biden regime continues to cover for Mr. Fauci, then that must be another article of impeachment.
