Left Wing Media Whiffs Yet Again

A week or so ago, Biden was getting off of Marine 1, and a question was asked of him about the reconciliation bill. Mr. Biden said in reply "My butt's been wiped". At the very least, that's what it sounded like the WH occupant said.

Listen for yourself: <https://www.dailydot.com/debug/biden-butt-wiped-yanny-laurel/>

I have no idea what Mr. Biden said - however the fact that he said something should have been picked up on by the WH press corps. At the very least, they should have asked him to repeat or clarify his remarks. However so many of

And to add insult to injury, Ms. Harris is tanking in the polls. It is also clear that what little agenda Mr. Biden had, he knows he'll never get it through. See, for all Mr. Biden's talk about getting things done in the US Senate, he has no idea how to put a coalition together in Washington DC. He, Pelosi, and Schumer are pretty much going it alone, and saying to the GOP - you're either with us or against us. Well the GOP seems to be against them - and thus there will be no accomplishments for Team Biden for the 1st 2 years (and likely all 4) of his presidency. Well other than adding several trillion to the deficit.

Michigan Lawmaker Holds Constituent Services Meetings in a Strip Club?

Hey we can't make this stuff up here at the Patriot Newsletter. Michigan Democrat Rep Jewell Jones, while on probation after a DWI arrest earlier this year, when turning in his campaign finance report, well it seems that he spent money and time at a well known "gentlemen's club" (aka strip joint). Again don't take my word for this - read

Glenn Youngkin's Tax Cut Plan

Glenn Youngkin has come out with his tax cut plan, and let me tell you - it's a winner. It includes bonuses of up to \$5,000 for each law enforcement officer (they who have been vilified by the Democratic base), a suspension of the Northam McAuliffe gas tax increase,

Under the Youngkin plan, each Virginian would receive \$300, families would receive \$600, and there would be an additional \$500 per child who is in school.

Ashli Babbitt

To some she's a patriot, to others a domestic terrorist. For those of you who have not heard her name, Ms. Babbitt was one of the Trump supporters who

dead - likely from being fired on by Capitol Hill Police.

Ms. Babbitt, a former member of the Armed Services, served her country well. Unlike so many cause celebs on the left, she had no criminal record. She should not be dead. Or at the very least, we should know why the Capitol Police shot her. The "committee" to investigate January 6 will not discuss Ms. Babbitt, and it is quite clear that neither Ms. Cheney or Mr. Kinzinger (the token Republicans on the Committee) will not try to get to the bottom of Ms. Babbitt's death.

We need an inquiry into Ms. Babbitt's death, and to understand once and for all just why Ms. Babbitt is dead. My personal opinion is that Ms. Babbitt, who loved her country, screwed up and went a bit too far. However I can see no good reason as to why she was killed. At the very least, her family deserves closure. I must admit it is delightfully ironic to see the white woke liberals claim that all "police violence" is white on black, yet when a white woman is killed, they go oddly silent, and start talking crazy stuff.

Hope to see each of you at the "Muster" on Friday night. I'll be there!!! See you there too!!!

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia

I remain
