Dear Friends and Fellow Republicans

The FBI Has Awoken a Sleeping Giant

Red State Online News had an outstanding article on just how offensive what the FBI did to Trump is to conservative voters. We're now more energized than ever to vote these people out of office. Just as important, independent voters are as offended as we are. This cannot end up good for the radical leftists.

DoJ Employees and higher ups are bothered about the lack of transparency in the raid on Mar-A-Lago.

When you're losing the health food consumers, life cannot be good for the Democrats.

Jobless Claims Rise

Contrary to what you're being told by Team Biden/Pelosi, the economy is not doing well. Unemployment claims are up.

Ben Cline Rocks CPAC!

Ben Cline brought the house down at CPAC this past weekend. I'd wanted to discuss this in the last newsletter, but the Mar-A-Lago raid made that impossible. Ben understands that We the People are sick and tired of business as usual and that we need to get the federal government's foot off the neck of the American people.
