Dear Friends and Fellow Republicans

The lie that Biden was and is the favorite of the American people is finally being proven. Quinnipiac, which is no friend to the Republican Party, just put out a new poll which shows that Biden's job approval rating is under 50%.

Quinnipiac has Mr. Biden at 49% approval.

What makes all of this interesting is that the Left Wing Media has done

Closer to Home

Yesterday Ben Cline made a speech on the floor talking about the need to not pass another PORKULUS bill until the money from the previous bills has been spent. We're talking about approximately \$1.3 trillion. Yes that's \$1,300,000,000,000. Heck these people can't stop spending to save their lives. Ben had other points to make as well. A video of Ben's speech will be made public later today - I will send once it's available.

Ben, thanks for your leadership and for being an advocate for limited government.

Liar Liar Pants on Fire.

Seems that our favorite lunatic, AOC, who recently stated that she was nearly murdered on January 6, well turns out she was not in the Capitol Building on the 6th. Freshman Congresswoman Nancy Mace, has come out and stated that AOC was never in any danger, their offices are almost next door to each other, and that none of the rioters on January 6 were anywhere near either her office or AOC's. Ergo AOC is lying.

New Heroes are Popping Up!

While we took a severe kick in the backside in November and then again in January with Georgia, new faces and new heroes are making themselves known. Among them are Colorado Congresswoman Lauren Boebert, who is becoming a real heroine to the 2A movement. Nancy Mace is another freshman Congresswoman - who is taking on the AOC's of the world, and making a name for herself as a legislative heavyweight.

These heroes and many more are speaking out with great moral clarity. Listen to Lt, Governor Mark Robinson of North Carolina. A liberal rag tried to portray Mr. Robinson, who is clearly not a white supremacist, as a member of the KKK. Watch Mr. Robinson's response here:

These people of the radical left have no shame. And we must be praying for these great American patriots and so many more. We need to pray for Ben Cline and work on Ben's behalf. The radical leftists who control the Democratic party won't let up - anything you can do to expose them and their treachery must be done. Letters to the editor are the best way. Please do whatever you can to help Ben - he has our back and needs to know we have his.

Thanks again for all that each of you are doing. And will continue to do.

I remain

Your servant

S John Massoud
