Dear Friends and Fellow Republicans

Morton Blackwell - Honoring a Great American Patriot

Blackwell was given the prestigious Chairman's Award for service to the GOP and to conservative causes. Morton Blackwell is more than deserving of this honor. Morton has been a mentor to thousands of young conservatives, teaching at his Leadership Institute, how to organize at the local level. The Leadership Institute teaches – among many things – the following:

How to form independent conservative student groups

How to publish conservative school newspapers

How to manage grassroots campaigns

How to properly communicate a conservative message in the media

There are too many things to list about the life of Morton Blackwell, but do know that he is most deserving of this Lifetime Achievement Award.

Morton has been a great friend to me and many other movement conservatives for nearly 45 years, and we're looking forward to many years more with Morton!

Virginia Economy Humming Under Youngkin

Thanks in large part to the pro business policies and tax cuts under Governor Glenn Youngkin, our labor force has reached 4.52 million people employed. This is the highest number in Virginia history. The percentage of people working reached 65.9%.

Regarding this great achievement, Governor Youngkin stated:

“Our approach to make Virginia more affordable for families and local businesses is working and we are pressing forward on common sense policies to make Virginia even more competitive and bring more people into the labor force”.

Well done Governor Youngkin!
