Making the 6th District Great Again!

Dear Friends and Fellow Republicans

## **A Few Thoughts On Last Week**

Last week, no matter whose side you were on, we saw something rather grand. Democracy actually working, and our representatives actually having an open debate - something which is usually frowned upon inside Washington. The end result? More Freedom Caucus members placed on the House Rules Committee (so that the Establishment has to keep to the deals they've agreed to), and we're going to have a real Committee set up and managed by Jim Jordan to investigate the excesses of the FBI and the federal government. We have a framework to actually reduce non-discretionary spending to try to bring fiscal sanity back to the USA.

It's a great day!

## **News From Staunton and Waynesboro and Elsewhere**

We got a bit of both bad and good news last week. Staunton Mayor Andrea Oakes, who recently became a grandmother, has decided to resign to spend

Mayor.

And in Waynesboro, Lana Williams will be the next Mayor, with Jim Wood being elected Vice Mayor. We're expecting great things in both cities.

Today will be a big day in Augusta/Amherst/Bath/Rockbridge. There will be a special election in HD 24 to replace Ronnie Campbell. Ellen, Ronnie's wife, is running to succeed him. Please get out there and vote for Ellen Campbell if you live in Southern Augusta or Bath or Amherst or Rockbridge/Lexington /Buena Vista. We know that Ellen is likely to win, but we need to be sending Ellen off to Richmond with a massive victory!

Also - From Winchester - Kathy Tagnesi and Emily DeAngelis Windle were sworn onto City Council yesterday. As was Josh Ingram in Front Royal. As was Hunter Holliday in Salem. We did some great work District wide this past election cycle. Let's keep it up!

### **Last But Not Least**

For those of you who remember what happened in Loudoun, with the 2 girls being sexually assaulted by a transgender student, and the Loudoun School Board having the parent of one of the girls arrested for trespassing. Well the dad was acquitted last week. This is what happens when government runs wild. And why we need to be forever vigilant against a bureaucracy doing things for our own protection?

During the Clinton years, they said that everything was for the kids. Now they openly allow young girls to be raped and try to hide it to further a narrow minded partisan agenda. When they tell you, it's for the kids, it's for everyone else but the kids.

Thank you Jon Tigges for standing up against tyranny and for your family.

Thank you for allowing me to serve you as your Chair. We have work to do. Let's roll up our sleeves and get things done!
