Dear Friends and Fellow Republicans

## On the Ground The Past Few Days in CD 6

Had a great day on Saturday. First off at the Amherst Patriots Breakfast. If any of you ever get the chance, please listen to Phill Kline speak. Phill is the former AG of Kansas, and he's an expert in voter fraud and how the 2020 election was more of a coup than an actual election. Phill went into great detail on just what happened, how the odds were stacked against President Trump and Team GOP in 2020, and how Big Tech aligned with crony capitalists and State Heads of Elections in several US States (usually the Secretary of State) to ensure that Trump was removed. More on this another time. But please if you are a member of a conservative organization, book Phill Kline to speak at your event

State.

After that, I spent several hours in Rockbridge County knocking for Team Youngkin, Ronnie Campbell, Scott Guise, and Morgan McCown. The energy out there is mind boggling. Team Rockbridge deployed 12 door knockers on Saturday. And everyone who answered the door was fired up and ready to vote (or in a couple cases had already voted) for the GOP Conservative ticket.

In Botetourt on Sunday, the enthusiasm was infectious as well. I spent most of Sunday with Team Youngkin - and the good people of Botetourt were fired up and ready to vote (again in many cases had already voted) for Team Youngkin and Team GOP. A special thanks to Delegate Terry Austin for opening up his house for an event for Glenn.

The 55th Annual Botetourt GOP Ham Dinner was maybe their best attended event ever. Tickets sold out weeks ago. Everyone from Ben Cline to Terry Austin to Delegate Chris Head spoke. Not to mention our next Governor and Lt. Governor - Glenn Youngkin and Winsome Sears.

The reason I'm talking about the Ham Dinner? It sold out weeks in advance - they had to bring in extra tables and open up other rooms to fit everyone. And there was electricity in the air - on behalf of Team GOP. People who had never volunteered before were talking about how they had been making phone calls. People who are usually shy and unassuming were beaming with pride about how their 1st ever Letter to the Editor was just published.

This is how we take back Virginia.

Speaking of taking back Virginia. Last night I had the privilege and distinct honor to give another 1st Annual Amber Haskew Award for Volunteer Service to Tim and Jackie Amos. It would be impossible to list all they have done on behalf of the Botetourt GOP, but both Jackie and Tim do everything from work the polls to organize volunteers - Jim is a 1 man sign brigade, and Jackie is the President of the Botetourt GOP Women's Club. It was rather touching when I announced their award last night, how the entire crowd gave them a rousing (almost standing) ovation.

And last but not least, a special thanks to Botetourt GOP Chair Chad Simmons

Everywhere I go, people are sick and tired of the lies that the radical leftists who currently run the Democratic party - and know that we're getting one last chance to get this right. I saw this on Thursday in Rockingham (Lincoln Reagan event at a local winery put on by Daryl Borquist and the Rockingham GOP) and in Harrisonburg at the monthly Redwave meeting. For those of you who, like me, know that the best way to take back this country is to ask for the help of the Almighty and then get to work locally, please get in touch with Redwave. The organization is run by Valeta McDonald, they're an amazing group of patriots and could always use more members.

### **Radical Leftists Go Nutso, Follow and Film Arizona Senator Kyrsten Sinema in the Women's Bathroom**

Before you think I'm losing it here, I have no use for Az Senator Kyrsten Sinema most of the time. She's a radical leftist trying to pretend to be a moderate. However, I do appreciate her trying to stop this "porkulus bill" and she has stood her ground in trying to stop the big spending lunatics in Congress. Senator Synema is - in her spare time, a college professor at Arizona State U who does lectures once or twice a week.

A group of campus lefties thought it would be a good idea to follow the Senator into the ladies bathroom and harass her for standing up to her own party and the special interests who run Washington DC. In doing so, these left wing lunatics filmed Senator Synema in the ladies bathroom, and posted it all over social media for the world to see. Forget the sickness of doing so, this clearly violates Arizona law, which forbids some pervert from filming goings on inside bathrooms without the expressed consent of those being filmed.

### **Lt. Colonel Stuart Scheller**

As most of you are likely aware, Marine Lt. Colonel Scheller was put in military prison a few weeks ago for speaking out against top military brass in how they bungled the withdrawal from Afghanistan. While Lt. Colonel Scheller maybe should not have said some of the things he said, the fact is that to put Lt. Colonel Scheller in prison while Milley commits soft treason and we lost 13 of our best and finest because of Mr. Biden's incompetence and Milley's being a buffoon....

Late last week, Ben Cline wrote a letter to the Marine Corps Commandant and the Judge Advocate General demanding that Lt. Colonel Scheller be release from pre trial confinement. Thank you Ben Cline for looking after our soldiers and speaking truth to power.

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia

I remain

your servant
