Dear Friends and Fellow Republicans

Washington Post Says Recession A "Good Thing"

Leave it up to a group of self appointed elitists to say that an economic downturn is good for the country. While we common folk suffer because of the disastrous policies of Team Biden, the Post talks openly about how a recession is good for us.

Written by Michelle Singletary, the article goes into the many ways that the elites will prosper because of a recession. Let me give you her lowlights:

- **I bonds inflation rate might go even higher**
- **The dollar is king**
- **Unemployment is still relatively low**
- **Your used car is worth more**
- **Student loan forgiveness is coming**

Now any person with 1/2 a brain or a clue can see these are false. Savings are being eaten up because of inflation. People who bought houses at inflated rates will suffer. Loan forgiveness of student debt is the ultimate in stealing from the middle class to give to the wealthy.

But as per usual, don't believe me, read this summary of the "article" and then you can find the link to the original here:

A Star is Born - In Italy

Earlier this week, the Italian Center Right Party, Brothers of Italy, won in a landslide over the liberal party. Brothers Of Italy, led by Giorgia Meloni, ran on a slogan of "God, Country, Family". Somehow this is seen as fascist by the usual suspects on the left.

Mrs. Meloni, who is an amazing communicator, spoke in some detail about what we are up against when it comes to the globalists. To see a video of her speech, please watch below. But I will list some of the highlights as well:

"Why is the family an enemy? Why is the family so frightening? There is a single answer to all these questions. Because it defines us. Because it is our identity. Because everything that defines us now is an enemy for those who would no longer like for us to have an identity and to simply be

identity. I can't define myself as an Italian, Christian, woman, mother. No. I must be citizen X. Gender X. Parent 1. Parent 2. I must be a number. Because when I am only a number, when I no longer have an identity or roots, then I will be the perfect slave at the mercy of financial speculators. The perfect consumer.

That's the reason why... that's why we inspire so much fear. That's why this event inspires so much fear. Because we do not want to be numbers. We defend the values of the human being. Every single human being. Because each of us has a unique genetic code which is unrepeatable. Like it or not, that is sacred. We will defend it. We will defend God Country and Family.

Those things that disgust some people so much. We will do this to defend our freedom. We will never be slaves and simple consumers at the mercy of financial speculators. That is our mission. That is why I am here today. Chesterton wrote more than a century ago: Fires will be kindled to testify that 2 and 2 make 4. Swords will be drawn to prove that leaves are green during summer. That time has arrived. We are ready. Thank you!

This is what the modern day left finds so terrifying. That We the People are individuals not mindless robots who want to follow elites to our doom. And for those who say that the history of the Brothers of Italy Party was once fascist, so they must be fascist now, I can only say back these words. Which American Political Party once supported slavery, segregation, and Jim Crow? Wasn't the GOP. Ergo, according to that logic, the Democrat party is still the party of racism.

Finally

I can't say this enough. Please get involved. Please knock on doors, or make phone calls for the local candidates and for Ben Cline. I was out this past Saturday knocking on doors for Andrew MacDonald of Clarke County.

The Roanoke City Council candidates need you. Collette Barry-Rec in Lexington needs you. The Waynesboro, Staunton, Harrisonburg City Council candidates need you. The Town Council candidates in Grottoes, New Market,

Clarke County needs you. And last but certainly not least, Ben Cline needs you. It's not enough for Ben to win. We need to send a message to that radical leftist Jennifer Lewis that CD 6 is Ben Cline country!

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia

I remain

your servant
