Dear Friends and Fellow Republicans

## **Our Glorious and Sophisticated President Joe Biden**

Back in 2016 and through the coup in 2020, we were told by the Washington DC/NYC/San Francisco elites that Donald Trump was a disgusting foul mouth lout, a billionaire bully who was a crude embarrassment to our country.

Well this is what the Democrat Party has put in Trump's place:

From a press conference last week, when asked a question about can schools be reopened, Mr. Biden said the following:

**“Oh I think it could be, we hope to God that, uh, that....look.....maybe I’m kidding myself.....but as time goes on.....the voter who is just trying to**

(unintelligible)..... uh, is becoming much more informed on the, um..... the uh motives of um, some of the political players, and some of the.....and the political parties.

<https://www.youtube.com/watch?v=9ssNav3MnBg>

Not to be outdone by his own word salad, yesterday Mr. Biden said the following on a hot mic about a Fox News reporter:

<https://www.youtube.com/watch?v=gQkiKqbIES8>

Yes - dignified sophisticated Joe Biden called Fox news reporter Peter Doocy a "stupid son of a -----".

This from the sophisticated tolerant left. And note that you're not hearing alot about this from the left wing media. And the same Never Trump Republicans who were calling Trump all sorts of names are perfectly comfortable with Mr. Biden's word salad, and Mr. Biden cursing our reporters.

Maybe more important, later on Mr. Biden reached out to Mr. Doocy, saying (this according to Mr. Doocy" that "it's nothing personal". Doocy also said that he didn't need an apology. Well Mr. Doocy may not need an apology, but Mr. Biden is supposed to uphold the "dignity of the office", and thus he owes the American people an explanation and an apology.

Democrats and Never Trumpers have never been people of great moral courage.

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia

I remain

your servant

JM

S John Massoud  
6th District Republican Party Chairman
