Making the 6th District Great Again!

Congressman Ben Cline ✔
@RepBenCline

Tonight, I voted against sending more tax dollars to the war in Ukraine.

We've already given over $100 BILLION to Ukraine without ANY accountability from the Biden admin as to where the money has gone.

The U.S. is nearly $33 trillion in debt, our borders are being overrun, & it's time to put America first. 🇺🇸

Dear Friends and Fellow Republicans

Piracy Returns In America???

For the 1st time since the Golden Age of Piracy (which ended in 1720), we are having piracy in US waters. Not at all shocking, piracy is now occurring off the waters in the San Francisco Bay.   According to reports, burglars have been raiding yachts and houseboats off Alameda coast.

Residents of Alameda, who have long supported restrictions on gun owners, are now talking about arming themselves as law enforcement can no longer protect them. Seems that Defunding the Police is not a good idea. And the elitists will never allow anything to happen to their safety.

What these modern day "pirates" do is find old abandoned boats, sail around the harbor, and steal from the boat owners. The Alameda Police Chief says

Alameda is a suburb of Oakland, and is rated as one of the best places to live in the USA. Of course Alameda surrounds Oakland, which has been destroyed by leftist policies.

Thank you Ben Cline

Earlier this week, Ben Cline took the right steps, and voted against additional funding in Ukraine. Please take a few minutes to reach out to Ben and thank him for giving us outstanding representation in Congress. Ben has our back and he needs to know that we have his.   https://cline.house.gov/

Up and Down the District

I have been to multiple candidate forums up and down the Congressional District, and am truly impressed with the slate of candidates that we have inside CD 6 at the State and Local levels. We have many burgeoning rock stars, and each one of them is worthy of our support. There are so many conservative rock stars to choose from, be it Sarah Kahle in Frederick County, or Leslie Mathews/Melanie Salins/Thomas McFadden in Warren County, Becky Smith in Page, Dave Bourne in Augusta, Wilson Fauber and Amy Guffy Darby in Staunton, Walter Michael in Botetourt,the list goes on and on.

And of course we have an outstanding group of candidates at the State level.

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia

I remain

your servant
