Dear Friends and Fellow Republicans

First off, I want to thank each and everyone of you who has come to me with your ideas and suggestions for how to fight this coup d'etat by the Democratic Party. Earlier today, I spoke with Rich Anderson, RPV Chair, about how to hold a "Support Our President Rally" in the next week or two. Given the fact that time is running out, and that our illustrious Governor King Ralph Northam is trying to again shut down dissent by limiting gatherings to 25 or less, our hands are somewhat tied, but not 100%.

Chairman Anderson and I are working on doing a rally at the State Capitol and the RPV Chair is reaching out to House GOP Leader Todd Gilbert to see how this can be done. This will have to be a prayer rally, so as to keep it legal and so that King Ralph's goons can not disrupt this rally. Given that the overwhelming majority of us (myself included) are people of the Judeo Christian faith, this should not be a problem. I will keep each of you posted as to the future of this proposed rally. We are hoping for a date of Friday December

In Other News

This weekend, the 6th Congressional District GOP Executive Committee met in Waynesboro Va. Ben Cline and members of his staff were kind enough to address the Executive Committee, and we were all very pleased that the Congressman accepted our invitation to address the Exec Committee. Among other things, North Region Vice Chair Randy Gilbert has agreed to take on a monumental task, that of being in charge of Election Integrity for the 6th Congressional District. Given that there were numerous issues with ballot irregularities in both Lynchburg and Roanoke City, the issue of ballot integrity is the defining issue of our time. Thanks to Randy Gilbert for agreeing to take on this issue. And also thanks to Curt Lilly for offering to assist Randy in this endeavor.

Also, given the fact that King Ralph is trying to take us backwards instead of forwards regarding the reopening of our economy, and in his latest executive order has decreed that public and private gatherings may only have up to 25 people, both Bedford County Soil and Water Board Member Izzy Knight and yours truly (in my place as a Member of the Strasburg Town Council) have written Nullification Resolutions that would direct each locale to not enforce the Governor's latest executive order.

Bedford County will be voting on their resolution this evening, Strasburg will vote on my resolution Monday November 30.

Thanks from the bottom of my heart to each of you for all the hard work you are doing, and are going to do. It is only with your help that we will take back Virginia!

I remain your servant

S John Massoud

6th District Republican Party Chairman
