Dear Friends and Fellow Republicans

## **RNC May Call for the Expulsion of Congress Members Liz Cheney and Adam Kinzinger**

Members of the Republican National Committee have been meeting in Salt Lake City this past week, and there is serious momentum to pass a resolution calling for the removal of both Liz Cheney and Adam Kinzinger as Republican Members of Congress. Cheney from Wyoming, and Kinzinger of Illinois, have drunk the Democrat Kool Aid and have both voted to impeach Donald Trump after he had left office, and then given aid and comfort to San Fran Nan in her witch hunt against Republicans on their January 6 Commission.

This resolution would be mostly symbolic, but would show that the Republican Party is sick of their own elected officials (in this case both Congress Members) attacking not only our President, but also the GOP base.

## **White Privilege is Ridiculous**

The Carolina Journal wrote a fascinating article earlier this week, talking about the insanity of "white privilege". The concept of "white privilege is a myth brought onto us by a group of counter culture liberals who are trying to divide us for their own profit and political power.

I have said this dozens of times, and will say again. There is no such thing as "white privilege" in 2022. We are no longer in the 1960's, where the Democrat Party openly discriminated against black men and women for their own political power. Now they are trying it another way, to say that because the Democrat Party sinned in the 1960;s, everyone is a sinner now and thus we must all be punished for their sins. The article below talks about "privilege bingo" and how truly nutty the radical left has become.

And if racism were such a problem, why did Virginia Senate Democrats kill a bill which would bar racial slurs from High School sports?

## **Officer's Painter and Jefferson**

Please take a moment to pray for the 2 officers who were killed at Bridgewater College earlier this week. I specifically mention the officers at the end of this article for a good reason. Campus Police Officer John Painter and Safety Officer JJ Jefferson were best friends, and Officer Painter was white, while Jefferson was black. No racism or white privilege there. Officer Painter was the best man at Officer Jefferson's wedding earlier in 2021.

For those of you wishing to help, here is a link to the Bridgewater U Fund for both Officer Painter and Officer Jefferson. <https://www.bridgewater.edu/john-painter-and-j-j-jefferson-memorial-support-fund/>

Thank you for allowing me to serve you as your Chair. Together we are and will take back Virginia.

I remain
