Dear Friends and Fellow Republicans

Support Team Ben!!!!

Friends,

Ben has been fighting for us in Washington. Now, Ben needs our support. On October 25, Ben will be at a candidate forum in Lexington (Lexington Chamber of Commerce will be hosting), and for those of you in the region, it's imperative that we all attend and support Ben against that radical leftist, Jennifer Lewis. Start time is 6 PM. Event will be at the Hampton Inn.

Get involved. Virginia needs you now. Your County/City/Town need you. Knock doors. Jeremy Hilliard in Luray needs you. Andrew MacDonald in Clarke County needs you. Dalton Baugess, Nick Hagen, Maynard Keller, and Peg McGuire need you. Jim Wood, Jeremy Sloat, and Amber Lipscomb need you in Waynesboro. Kathy Tagnesi, Brandon Pifer, and Emily DeAngelis need you in Winchester. Collette Barry-Rec needs you in Lexington. Zack Jackson, Amber Morris, Lori Athey Cockrell (Front Royal's next Mayor), and Josh Ingram need you. The list goes on and on.

Each of these candidates, and so many others need you. And we need them. I like door canvassing. If you can't door canvass, make phone calls. Or write Letters to the Editor. Write a small check. Work the polls. There are dozens of things you can do to help out.

Ronald Reagan once said these words:

Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same. or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free

I was out knocking on doors in Strasburg this past weekend (For Ben Cline and Town Council Candidate Andrew Lowder) and my neighbors and friends were fired up to send Democrats packing. Let's do it!

Americans have lost more than \$34,000 Under This Regime

An article in the NY Post sums things up pretty well. The average American's 401K has gone down by \$34,000 during this disaster of a presidency. This does not include the losses in takehome pay (estimated to be another \$6,000 per annum). Or losses in municipal bonds.

Democrats are Ducking Debates!

From Jennifer Lewis not attending the Frederick County Small Business Freedom Alliance Candidate Forum, to Abigail Spanberger refusing to debate Yesli Vega, to Katie Hobbs refusing to debate Kari Lake, Democrats all over the country are avoiding being on the stage with their Republican challengers. And those few times that they do appear (Warnock vs. Walker in Georgia, the radical leftists get a piece of their anatomy handed to them.

Even now the NY Times admits that Democrats won't do well come November.

For a non media take on the Warnock vs Walker debate, watch this:

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia
