

The Valley Patriot

Making the 6th District Great Again!

Dear Friends and Fellow Republicans

The American Dream Still Lives

According to Monmouth Polling, 88% of us are fed up and believe that the USA is on the wrong track. Quite frankly, I must wonder about who the 10% are who think that the USA is on the right track.

Having been out and about this past July 4 weekend, I can tell you with great certainty that the Spirit of America still lives and that people in the Valley still believe in the American dream. You could see this in the parades and other events going on inside CD 6.

Thousands of people attended the Middletown July 4 celebration - in some cases coming from 50+ miles away to celebrate in Middletown. Was great to have Lt. Governor Winsome Sears and Ben Cline show up to march with us. Ben marched in 3 different parades on the 4th (Staunton, Clear Brook, and Middletown).

And what everyone could see all over this past weekend was people who still love their country, people who are fed up and tired with an out of touch

than to celebrate July 4 with our neighbors and with good people.

So contrary to what the self appointed elitists in Washington are trying to do to us, they will not succeed. That was evident in the faces of so many people who lined the streets to see their neighbors celebrate July 4 and the founding of our nation.

RIP To the Last of Easy Company

A few days ago, Bradford Freeman, a WWII veteran and member of Easy Company, left us to go to Heaven. He was 97. For those of you who never saw Band of Brothers, Pfc Freeman served with the 506th Paratrooper Regiment. The 506th Infantry Regiment - part of the 101st Airborne, parachuted into France before D-Day to help stop the Germans from behind the lines. They went onto march across France, fought in Market Garden, and then became part of history with their heroism by holding Bastogne during the Battle of the Bulge.

RIP Good and Faithful Servant

Onto November

There are many different people who will be on the ballot come this November. We have City Council races in Winchester and Roanoke. We have Council races in Shenandoah County and Front Royal. We have School Board and City Council races in Harrisonburg and Waynesboro. I'm excited about each of the GOP and conservative candidates we have running. Please remember that what occurs at the local level is just as important as what occurs at the State and Federal level. We will be highlighting each of these races in the weeks and months to come.

Thank you for allowing me to serve you as your Chair. Onward and upward!

your servant
