Making the 6th District Great Again!

Dear Friends and Fellow Republicans

At the end of the day, the 6th Congressional District exists in large part to handle the party operations of the District, and our Congressman, Ben Cline, is the public face of this very conservative District. And what an outstanding face of our District we have in Ben.

Ben has a well deserved reputation of being a conservative activist who can get things done. Ben earned this reputation in Richmond, where he became known as a legislator who could work with others, yet still take on Party leadership when he believed leadership was wrong. Ben also passed very important legislation in Richmond. Among these bills he passed was HB 22237 in 2003, which made it a felony to assault retired law enforcement.

Ben won his 1st term in Congress in 2018, winning an outright majority in a convention with 7 other candidates, no small feat. But more importantly, Ben worked hard to unify the Party in the wake of his victory. I know this because I personally witnessed him do this first hand. Ben went out of his way to thank the supporters of other candidates for their hard work, and told these volunteers that if they united behind him, that they'd be proud. They did, and man has Ben Cline delivered. Ben is easily one the most influential freshman lawmaker – getting 2 pieces of major legislation passed in his first term. Something no other freshman Republican can say.

If you want a bomb thrower who says a lot of things but can't get anything done for their District or for the Republic, then Ben is not your guy. But if you want a conservative who knows how to get things done, then I whole heartedly endorse Ben, and ask that each of you do so as well. And vote for Ben Cline in either early voting or on November 3.

Thanks from the bottom of my heart to each of you for all the hard work you are doing, and are going to do. It is only with your help that we will take back Virginia!

I remain your servant

S John Massoud
