Dear Friends and Fellow Republicans

## **Forget White Supremacists, We Need to Be Worried About**

As most of us are aware, we are being told - multiple times each day, that all of white America is inherently racist, that we are so racist that we can't even see it any more, and that the only way that anything can be done about it is for white Americans to be canceled. We are also told that white supremacist groups are the number one terrorist threat in the USA today.

Forgetting the obvious hypocrisy here, and the fact that saying someone must be racist because of their skin color is inherently racist in the 1st place - the modern left is conveniently forgetting something - the 2 most dangerous terrorist acts in the USA recently came from angry and racist African American

Don't forget that last November, Daryl Brooks drove his red SUV through a gathering of people, killing 6 Caucasians, one of them an 8 year old boy. Approximately 80 others - mostly Caucasians, were injured. Mr. Brooks was a virulent anti Semite - and the media seems to have missed that fact.

Fast forward to last week in Brooklyn - where Frank James committed the worst act of terrorism ever inside the NY Subway system. Shooting 33 rounds into the system, and causing many more to be trampled. The mainstream media has not talked much about Mr. James' racist statements leading up to the attack. Including this:

**It's just a matter of time before these white motherf\*\*\*ers decide, 'Hey listen. Enough is enough. These n\*\*\*\*\* got to go.... And so the message to me is: I should have gotten a gun, and just started shooting motherf\*\*\*ers.**

How the media can overlook this statement is beyond belief. Yet it is how the modern left thinks.

Then we go to the gang violence - most of which is caused by African American gangs and MS 13. Recently in California, there were mass shootings perpetrated by gangs in local shopping malls. Gang shootings have popped up all across the USA recently. Yet the mainstream media wants you to focus only on Neo Nazi's and the KKK.

As repugnant as Neo Nazi's and the KKK are, they're nowhere near as dangerous as MS 13 or the black youth gangs. The numbers point this out. In 2020, approximately 20,500 Americans were murdered. 10,000 of these deaths were African Americans, 7,000 were Caucasian. 3,000 were Latino, and the other 500 were from other ethnicities. Of the people charged in these murders, over 50% of the culprits were black. Aka black Americans are 13% of the population and are responsible for 50% of the murders in the USA.

There are a lot of reasons that our country is so violent. Partly because the Great Society programs of the 60s separated black youths from their fathers. And whether leftists want to hear it or not, young men and women need both a mother and a father. Another part is the callousness of our culture today.

So don't allow some race pimp to call you a racist - they only do so to cover up their own racism.

## Leaving the Stage

Each 2 years, as the new GOP Committees are formed - we get to work with some very competent and fascinating people. And sadly, others leave to go onto other things. I'd like to take this time to thank a few people for all of their hard work in taking back Virginia.

Among them are:

Former Waynesboro GOP Chair Danny Ledford. Danny became a dear friend to me, and I enjoyed his sense of humor and ability to work with all others in Waynesboro. The Waynesboro GOP grew over the past 2 years, and even though Danny is too humble to take credit, alot of the credit goes to Danny.

Outgoing Highland GOP Chair Larry Bandy. Larry was also a good friend who believed in me when few others did. Larry had a tough job in working to build a GOP unit in a very small locale. Larry will be missed.

Outgoing Waynesboro GOP Member Herman Wells. Herman did amazing work for the EI unit, and is moving out of Waynesboro. He will be sorely missed.

Former Bath County Chair Dave Fisher. Dave shared alot of the same issues that Larry Bandy did. Being a Unit Chair in a small locale is often tough, but Dave did his job and helped rebuild the Bath GOP. Dave, like Larry, believed in me when no one else did. To Dave I am forever grateful.

Former Strasburg Precinct Chairs John Bost and Barbara Williams. Both John and Barbara were instrumental in helping me rebuild the Strasburg precinct. They will be sorely missed as well.

Former Warren County GOP Chair John Smith. John is a great American who was the 1st African American GOP Chair in Warren County. There aren't enough words in the English language to describe how highly I think of John Smith.

job leading the Shenandoah County GOP, and built the County GOP into a force that was 2nd to none around the region. Randy is now the Northern Regional Vice Chair of CD 6 and the head of Election Integrity in CD6.

And last but NOT least, Roanoke County GOP Chair Dan Webb has moved on and turned over the Unit to Ashley Sutterlein. Roanoke County will be in good hands, yet Dan will be missed there. Fortunately Dan is still on State Central in his role as Western Regional Vice Chair.

This is just a short list. There are really far too many to mention here.

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia

I remain

your servant
