Dear Friends and Fellow Republicans

The Radical Left Keeps Getting Nuttier and Nuttier

A female employee of a company called Limited Run Games was just fired for liking a J.K. Rowling tweet. The woman, whose first and middle names are Kara Lynn, who worked for LRG for 2 years, lost her job because she followed people not favored by the Radical Left. Kara Lynn said on Twitter – “the more I see Game Play, the more excited I get. It’s hitting all the marks I’ve been wanting for a Harry Potter game”.

Yes saying you like Harry Potter can now get you fired. Why? Because J. K. Rowling the liberal author of Harry Potter books, has the “nerve” to say that your gender is something you are born with. There is more to this story, but it is so grotesque that I can’t say what it is. You can learn all more about this story by watching this expose by Megyn Kelly, Bethany Mandel, and Mary Katherine Hamm.

More From Richmond

Your 6th Congressional Delegation is doing a great job of moving legislation out of the House.

Delegate Bill Wiley (Winchester Frederick) has introduced HB 1462, which would get rid of the 30 day wait requirement to purchase a firearm placed on those with new driver's licenses. This bill passed Committee yesterday.

Senator Mark Obenshain is working on SB 1226, which would allow for legal action to occur against someone who sells alcohol to a visibly intoxicated minor who causes harm or death to someone while under the influence of alcohol.

From the last RNC Meeting

Friends, I share your outrage and disgust that Ronna McDaniel was re-elected overwhelmingly. The GOP Establishment has learned nothing, and they never do. They are more interested in their own seat at the table than saving the country from wokeism. We had a real chance to remove the 3 Mc's (McDaniel, McCarthy, and McConnell). We removed none of them.

Now - in fairness, Speaker McCarthy is so far doing his job in taking on the left and the Biden regime. He's removed or is trying to remove 3 radicals from their Committees (Swalwell, Schiff, and Omar). But he needs help from the Caucus. McConnell is a lost cause. We need to get people in office who are more interested in Main Street than K Street. McDaniel is a disgrace.

Some have said that they are throwing up their hands. That is not the right thing to do. We need to continue to fight the Establishment so that they
