Making the 6th District Great Again!

Dear Patriots:

The choice for US Senate in November can not be more clear. We have a contest between do nothing Senator Mark Warner, and a true American patriot in Daniel Gade.

My entire life, I've faced forks in the road. From West Point to leading men into combat to not letting my injuries define me. And the right choice has never been the easy one.

Right now, we are at a fork in the road as a country. Do we choose divisiveness and a status quo that isn't working for us? Or do we elect leaders, who will make the right choice, even when it's the harder one.

That's been the story of my life. And now I am running for United States Senate because I'm not done serving.

I am Daniel Gade and I approve this message.

Gade is right on all the issues - from being an advocate for life, to having attended many 2A rallies and understanding that an armed society is a safe society. Mark Warner on the other hand, has never met a tax increase he didn't like, still supports a failed Obama Care, has done nothing to help his people during the COVID-19 crisis, and votes nearly 100% of the time with Chuck Schumer and Nancy Pelosi. Warner wants you to think that he's a moderate, but in actuality Warner is a radical's radical. Why do I say this? Simple - whereas Pelosi and AOC and the Squad let you know they're radicals, Warner fools you by sounding like a centrist when in reality his voting record is as bad as theirs.

Don't be fooled by Warner's supposed bi-partisan reputation, he's a true leftist.

Please take a minute to view Gade's ad, and make a donation if you can. His campaign needs the money - he has an actual chance to defeat Mark Warner, but only with your help!

Thanks from the bottom of my heart to each of you for all the hard work you are doing, and are going to do. It is only with your help that we will take back Virginia!

I remain your servant

S John Massoud  
6th District Republican Party Chairman
