Dear Friends and Fellow Republicans

Democrats Can't Win Honestly - So They Try to Change the Rules - To Make it Easier to Cheat!

Can't make this stuff up - Democrats in Virginia know that The Ship McAwful is likely to go down come November, so instead of trying to make their boy look better - what do they do? Yes you guessed it - Democrats are trying to get waivers in parts of Virginia for the ballot signature requirement - making it easier for them to cheat come this November.

The Fairfax County Board of Supervisors (pretty much all Democrats) have asked for the signature requirement to be waived on mail in ballots - saying that

meant anything to these people.

This is more reason for everyone to get to the polls early, and vote!

If the Election Were Held Today - Biden Would Lose Delaware

There's no doubt that Biden has been an albatross around each Democrat's neck. Quite frankly it's so bad that even bright blue districts like Nancy Pelosi's and AOC's could potentially be flipped (not likely but in this environment anything is possible).

However it is so bad now for Biden that he is under water in Delaware (a state where he represented in the US Senate) and would likely lose to either Trump or Ron De Santis if the election were held today. While the election is not being held today, the fact is that Mr. Biden has been an absolute disaster - and that the average person won't be supporting the Democrats anytime soon.

From the Campaign Trail

I was out door knocking for Team Youngkin/Todd Gilbert/Wade Guinn/Kyle Gutshall yesterday in Woodstock, and the results and scenes were fascinating. Woodstock is the least Republican part of Shenandoah County, yet the signs for Glenn Youngkin/Todd Gilbert/Wade Guinn/Kyle Gutshall were out in force, and outnumbered the Democrats by over 5-1.

We have a real chance to pick up seats in areas where we don't normally win down ballot. And even if you're in a safe down ballot District, don't forget to vote. And bring 10 friends too! We all know that Chris Runion, Ronnie Campbell, Todd Gilbert, John Avoli, Bill Wiley, Wendell Walker, Terry Austin will win - but it's not just enough to win. It's important that the Democrats know that they can huff and puff all they want to - but that CD 6 is RED Country -

And please remember that the tougher districts like Tony Wilt's District and HD 11 (where Charlie Nave is running a heck of a race against entrenched incumbent Sam Rasoul. I'm begging each of you to get involved - make phone calls - knock on doors - drive a friend to the polls (or 10 if you have them! write Letters to the Editor - the list is too long to mention everything. Post signs up and down your neighborhood. We want these people to know that they live in their own Red Sea, and to feel defeated each time they walk outside of their house. (I just wrote another \$250 check for Charlie Nave - if you can contribute to one of the above mentioned candidates or another candidate of your choice it would be helpful)

Donate to Matt Cross in Rockingham running for School Board. Melanie Salins is an appointed School Board Member in Warren who needs help. As does Vicky Cook, as does Sabrina Von Schilling of Waynesboro (Commissioner of the Revenue) the list goes on and on.

I know it's hard now with all the things going on in the world, but you'll never regret getting involved - you may regret not getting involved if we lose come November. God is maybe giving us one last chance here, and we need to accept this challenge and seize this moment in history or we may regret this forever.

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia

I remain

your servant
