Dear Friends and Fellow Republicans

Democrats Want Us To Suffer

Glenn Youngkin and Team GOP ran on a very specific agenda. Reopen schools, reopen Virginia, cut taxes. Well so far Governor Youngkin is getting nothing but wins. And yesterday he got to sign his first bill into law. This bill, put forth by Delegate Tony Wilt (HB 828) streamlines regulations to help assist dairy farmers. https://www.governor.virginia.gov/newsroom/news-releases/2022/february/name-928752-en.html?fbclid=IwAR3dF9cg1A__Op5yauKLCbYNoxK-ih8_vecPoselGEtrA4AF1DYaBi8mgtQ

And of great significance, SB 738 was given to the Governor yesterday to sign. This bill will remove mask mandates from Virginia schools effective immediately. Above is a picture of Speaker Todd Gilbert giving the legislation to the Governor to sign.

Other notable legislation making its way through the legislative process includes:

HB 9 - condemns the Chinese Communists for using slave labor and the persecution of Falun Gong - thank you Delegate John Avoli.

HB 39 - limits early voting to 15 days. Passed the House (52-48). Thank you Philip Scott.

HB 1090 - requiring photo ID's when voting - has passed the house on a party line vote (52-48). Thank you Delegate Michael Webert

HB 528 - regulating how 3rd party groups can canvass for absentee ballots (effectively shutting out 3rd parties from ballot harvesting) passed the House (52-48). Thank you Delegate Amanda Batten.

The elimination of the food tax is currently making its way through the legislature. Please feel free to read more at the Virginia General Assembly's webpage. <https://viriniageneralassembly.gov/>

Are Our Elites Stupid? Or Just that Evil?

been wrong on pretty much everything these past few years,(mostly related to COVID) and how this cannot be just ineptitude. The article lists many of the mistakes made by the feds regarding COVID. Not all are listed of course. This is a must read.

Please pray for the good people in Ukraine - they did nothing to deserve the mess they're now in. Obama failed them, and now Biden's weakness has left them on the verge of being invaded.
