Congress of the United States
House of Representatives
Washington, DC 20515-3605

November 6, 2020

The Honorable William Barr
Attorney General U.S. Department of Justice
950 Pennsylvania Avenue, NW
Washington, D.C. 20530

Dear Attorney General Barr,

While each state runs its own election process, the United States Department of Justice is ultimately responsible for the integrity of federal elections. The American people must have the utmost confidence that the outcome of the presidential election is legitimate.

With widespread reports of irregularities, particularly in the vote counting process, it is time for you to use the resources of the Department to ensure that the process is conducted in a manner that is fully consistent with state and federal law. And, it is also important that the process be completely transparent, so that the American people will have full confidence in the result.

The Justice Department's Civil Rights Division Voting Section's responsibility is to ensure that the right to vote is sacred. This not only means access to the ballot box, but it also means ensuring that no one's vote is devalued by any means of voter fraud.

The U.S. Marshals Service is also available to ensure that judicial orders are carried out. When it comes to a federal election, it should not matter whether those judicial orders come from a state or federal court. For example, if a state court orders that observers can watch ballot counting in a federal election, no local election official should be able to defy that order.

With that in mind, we request an immediate response to the following questions. What are you doing to ensure the integrity of the voting and counting process right now? Will you commit to using all the resources at your disposal to ensure that only legal votes are being counted and being counted in a fully transparent manner immediately?

Thank you for your prompt reply.

Sincerely,

Dear Friends and Fellow Republicans

Just giving everyone an update as to what is happening and hoping that each of you had a great Thanksgiving with your relatives. While the Governor may want to ban this, and the CDC has been telling people to keep quarantining, we are social beings and need the company of our friends and loved ones, especially in these surreal times.

I had the pleasure of talking to our Congressman, and was pleased to find out that he wrote a letter to AG Barr, requesting that the Justice Department move on voter fraud both in Virginia and around the nation. This was done via letter. The Hill Online Magazine did a rather good write up on this issue. You can read more about it here. <https://thehill.com/homenews/525221-barr-clears-justice-department-to-probe-substantial-allegations-of-voter-fraud?fbclid=IwAR0ytsq-o3YTrPH0CqHM2kBt3cR-39XZ7nMwho4vzn0FPxwa-j0WetscP4>

I am still working with Rich Anderson and House GOP Leader Todd Gilbert to see if a rally sponsored by RPV can be done. Will keep everyone in the loop as I learn more information.

Earlier today, I spoke with Reid Barnes of The Hill Online News Magazine, talking about the future of the Republican Party in Virginia, and the 2020 and 2021 elections. I told Mr. Barnes that only a blind person would say that no voter fraud happened in Virginia. And that the fact Henrico County "found" a thumb drive with 14,416 votes on it that were pretty much all for Biden and Spanberger (7th Congressional District) pretty much proves that voter fraud happened in Virginia. And that RPV has publicly called for an audit of the Virginia voting system as a whole. The Department of Elections in Virginia would never allow that to occur of course.

The Epoch Times ran a great story on the Virginia Project recently - the Virginia Project is a conservative group which is working on election data analysis to make sure that our elections are free and fair. The Virginia Project believes (as do I) that a massive voter fraud occurred in Virginia, And the Virginia Project is looking at this not from the point of Presidential politics, but from the Congressional side - saying that they believe that there was fraud in the 2nd, 3rd, 4th, 7th, and 10th Congressional Districts. Here is a link to that article from the Epoch Times: https://www.theepochtimes.com/mkt_app/group-prepares-legal-challenge-in-hope-of-overturning-senate-house-races-in-virginia_3597712.html?fbclid=IwAR0AZhLxrtr5Wd7NgsvYicXeHnTb0bjJXbFquosVvpQ5kMd99iZNVdbYP8w?v=ul

Next Patriot Newsletter will be about Virginia and the future of the Republican Party. Also will be telling more about the work Shenandoah County GOP Chair and North Region Vice Chair Randy Gilbert has been doing on voter integrity in Virginia. Randy will be the point person for voter integrity in CD 6.

Pray for Donald Trump, and for this country. Pray for strength for the Supreme Court Justices, who will need strength to do the right thing and overturn this coup d'etat.

Thanks from the bottom of my heart to each of you for all the hard work you are doing, and are going to do. It is only with your help that we will take back Virginia!

I remain your servant
