Dear Friends and Fellow Republicans

### What Law Enforcement Officers Have to go Through - Part 2

Last week, several news agencies took an edited video of a Wisconsin police officer tossing something into a car - saying that the cop was planting evidence into an automobile with teenagers in the vehicle. This news headline was

clearly designed to inflame mobs into rioting. However thanks to your friend and mine - The Officer Tatum, we have a clear idea of what occurred during this stop.

Now that we have seen the entire video, it is clear that the officer removed an empty baggie (which may have had drugs in it at one time) and tossed the empty baggie back into the car.

Thanks to Officer Tatum's analysis of what occurred, it is clear that the officer did nothing wrong, other than not wanting to hold onto an empty plastic bag. And the liberal media takes this obvious lie and goes with it - trying to make law enforcement look bad, when all they watched was a few seconds of a much longer video.

This is how bad it has gotten for our cops now. They can no longer do their jobs in peace without having to deal with leftists trying to destroy them - for their own self gratification.

Again, remember that August 3 is National Night Out. Take an hour of your time, go to your local township or city where they are celebrating National Night Out, and thank a cop (or 2 or 10) for all they do to try and keep our streets safe.

In other business Police related - contrary to what the leftists want to hear, Detroit residents by a 3-1 margin, want more police on the streets to keep crime down. This must not come as a great joy to radical leftists who want to take police away from inner city neighborhoods.

### **Biden's Infrastructure Plan To Cost 2 Trillion More Than Expected**

Democrats who are trying to ram a \$3.5 trillion big spending package down our throats are in for a bit of a shock. The actual cost according to some budget experts is closer to \$5.5 trillion.

Seems that Biden's Build Back Better really means Build Back Broke
