Making the 6th District Great Again!

Dear Patriots:

One thing that the Democrats and other swamp dwellers like to claim, regarding President Trump, is to ask "What has he done for us - What has he accomplished"?

Well here is a list of Donald Trump's accomplishments for you to recite to our liberal friends:

## **Domestic Accomplishments**

Before the virus - we had effectively 0 unemployment

Gross wages had risen - first time since the 1980's

Manufacturing jobs were moving back to the USA

Best ever unemployment rate for African Americans and Hispanics

3.9 million Americans were lifted off of food stamps

Trump's tax cuts for both businesses and everyday Americans put more spending money

into our pockets

Because of our opening of the Keystone Pipeline, we are now energy independent and actually exporting energy for the 1st time in over 50 years

NAFTA was replaced with a treaty that was pro farmer and pro US worker.

We have confirmed more circuit court judges than any president in recent history, changing the makeup of the federal courts around the US.

The Individual Mandate of Obamacare has been done away with

A record number of job killing regulations have been removed from the books

### **Foreign Policy Accomplishments**

North and South Korea signed a peace treaty

Israel and the United Arab Emirates have recognized each other's right to exist

Israel and Bahrain have recognized each other's right to exist

Trump has been nominated for the Nobel Peace Prize

We have defeated ISIS

1st time since 1979 that the US has not been at war in the Middle East

Trump removed the US from the disastrous Paris Climate Change Accord, which would allow for China to continue to pollute the Earth while punishing US businesses.

Trump has gone after terrorists harder than either Bush 43 or Obama.

Trump has required NATO and our other allies to step up their payments for their own defense. Thus reducing our own spending by approximately \$69 billion.

Quite honestly, the list of Trump's accomplishments is far too long to list here, if I was to list everything Trump has achieved on behalf of the USA, we would be here until next week.

This is a short list - and there is more to be done in the next four years. Get this list of accomplishments out to your Republican and Independent friends, and let them know that the only reason that the media is so hard on our President is because he's doing such a great job.

Thanks from the bottom of my heart to each of you for all the hard work you are doing, and are going to do. It is only with your help that we will take back Virginia!

I remain your servant

S John Massoud

6th District Republican Party Chairman
