Dear Friends and Fellow Republicans

Which One Is It Terry?

A few weeks ago, Terry McAwful made one of the stupidest statements in the past 100 years, saying that Virginia's parents should not have a say in what their children are taught. Now, everyone makes mistakes, however instead of saying that he misspoke and being a man and apologizing, Mr. McAwful doubled down on this statement, and then tried to say that there was no CRT in Virginia, and that parents should not have the right to know or have any say in what their kids learn.

Well - now Flip Flop Terry has come out with a new ad - saying that of course parents should know what their kids are being taught - and that Glenn Youngkin is taking his words out of context. Yes Mr. Flip Flop actually said all this in a radio ad which premiered yesterday in NOVA.

parents of our kids think. Flip Flop Terry is owned by the CRT lobby and the Teachers Union.

Also, I hear alot that some don't want to vote because they think that because of the massive corruption which took place in 2020, that their votes won't count. We should all take this time to thank David Gordon of the Virginia project - a group which has dedicated itself to ending election corruption in Virginia and in each of the 50 United States. Because of the hard work that Mr. Gordon and his team have done - over 500,000 dead or ineligible voters have been removed from the voter rolls in the past 12 months.

Also a special thanks to Randy Gilbert who heads up the 6th Congressional District Voter Integrity Committee - and to his merry band of warriors. This includes but is not limited to:

Vicky Cook

J H Kostelni

Brother Maynard Keller

Amber Haskew

There are 10 + other members. Sorry I cannot list every member here - but each deserve a special thanks for trying to make sure that the 2021 election is 100% fair and free of Democratic corruption.

500,000 ineligible voters removed from last year. Interesting how Biden "won" Virginia by 451,138 votes huh?

Who to Vote for in Amherst County?

If you go to the top of the page, you will see the Republican ticket in Amherst. It's a strong ticket, And I wholeheartedly endorse each person on that ticket! Abby Thompson, Eric Orasi, and Dawn Justice will take on the School bureaucracy along with current Board Member Ginger Burg, and that's how we kill CRT and the other lunacy at the local level! Claudia Tucker is a dear friend and has been a strong conservative who wants to bring economic opportunity to Amherst. Drew Wade in District 5 is a former VMI cadet who will also help Claudia bring economic opportunity to Amherst.

efforts!

Correction from Yesterday's Newsletter

Yesterday I meant to mention Lynchburg Commonwealth Attorney Bethany Harrison - and for some reason forgot to. Bethany has been a tireless warrior in helping get Glenn Youngkin, Wendell Walker, and all of Team GOP over the top in Lynchburg City. Bethany has been out there alongside her husband Eric (Lynchburg GOP Chair) inspiring the volunteers and door knocking with them! She's an outstanding Commonwealth Attorney, and Bethany is clearly the future of the Conservative movement in Lynchburg and the region.

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia
