Making the 6th District Great Again!

Dear Friends and Fellow Republicans

### **Who Is the Extremist?**

Earlier this month, Democrat hack Jennifer Lewis published an Op-Ed in several media outlets in the District, calling Ben Cline an "extremist" for supporting limits on abortions. The 6th Congressional District Committee and yours truly have been fighting back. In response, The Bull Elephant has published this article explaining who the real extremists are:

Ben Cline is a conservative who has an outstanding voting record of getting things done. Jennifer Lewis wants to give puberty blockers to our young children and supports abortions up and to the moment of birth. Ben Cline goes out of his way to talk to all of his constituents. Jennifer Lewis asks people in Waynesboro to give bad Yelp reviews to conservative business owners. Ben Cline is a Son of the Valley. Jennifer Lewis is an out of touch leftist.

### **More on St. Fauci**

Substack, a new outlet for independent writers and journalists, has published an interesting article on the real legacy of Mr. Fauci (aka St. Fauci). And the writer explains in fascinating detail just how many things Mr. Fauci got wrong when it comes to COVID, especially regarding schools and children and COVID. Not to mention the fact that Mr. Fauci seems to think that vaccinations are better than natural immunity (remember Fauci is science).

Fauci seems to be the ultimate leftist, tamping down on anyone who disagreed with His Sainthood. Saying that the pandemic "has not irreparably damaged anyone", and forgetting about the millions of children who will be forever damaged by the lockdown. Forgetting the hundreds of thousands of businesses owners who had to shut down because of the lockdowns for what they had to know was not the Black Plague.

It is well known now that Mr. Biden has forgiven up to \$20,000 in student loans. But did you know that many of the people who have these loans are Congressional Staffers on Capitol Hill? Yes you and I are subsidizing Congressional Staffers getting their loans forgiven. Read here: <https://www.dailysignal.com/2022/08/25/biden-student-loan-amnesty-a-windfall-for-dc-staffers/>

### **Get Involved in Local Elections!**

Your local candidates need you. I've said this before and will say so again. It does no good for us to take back Virginia if we can't take back the locales.

Collette Barry-Rec in Lexington is fighting an uphill battle to make a difference in Lexington. Corin Jackson is trying to make a difference in Harrisonburg. As are Peg McGuire, Nick Hagen, Maynard Keller, and Dalton Baugess in Roanoke. Emily DeAngelis, Kathy Tagnesi, and Brandon Pifer are trying to turn around the Winchester City Council.

We're expecting big things from The Jim Wood in Waynesboro as well. Up and down the District, there are local races - and I've only named a few of them. Please contact your local GOP Committee to see how you can get involved in taking back your Town or City.

Thank you for allowing me to serve you as your Chair. Together we will take back Virginia

I remain

your servant
